Welcome, Peter!

This **short** form collects information about **current** vacancies and **how many children you would like to enroll** at Peter's perfect piggys.

This monthly questionnaire is sent to **all of Iowa's registered child development homes, licensed child care centers and non-registered CCA providers.**

The goal is to support the full enrollment of child care providers across Iowa and provide accurate child care information to families.

Section 3: Age Groups Cared For and Desired Capacity

Age Groups Cared For:

1. Select the age groups of children that you currently care for or would like to care for at your child care program.
2. Check all age groups that apply to your child care program.
3. Click the right-facing arrow to continue.

The following table is used to learn about the number of slots you would like to have filled at Peter's perfect piggys, also known as "**desired capacity**". This is different to your **licensed/registered or non-registered capacity** and **cannot be more** than your licensed/registered capacity.

We measure desired capacity in terms of **slots**. One slot is equivalent to 1 child's full time enrollment, so for example 2 or 3 part time enrollments could be equal to 1 full-time slot.

Which age groups do you currently or want to care for at Peter's perfect piggys?

<input checked="" type="checkbox"/>	Infant (Birth-12m)
<input checked="" type="checkbox"/>	Infant (13-23m)
<input checked="" type="checkbox"/>	Toddler (2y)
<input checked="" type="checkbox"/>	Pre-School (3y)
<input type="checkbox"/>	Pre-School (4-5y)
<input type="checkbox"/>	School Age (6y+)

Desired Capacity

1. Enter your **desired capacity** number for each age group. Your desired capacity cannot exceed your licensed/registered capacity at any given time.
2. If you need to add more age groups or remove age groups, click the left-facing arrow to change your answers to the previous question. Otherwise, click the right-facing arrow to continue.

The next set of questions ask how much you charge for child care at Peter's perfect piggys.

This information is only collected once every year. **You will not be asked these questions in future months.**

Your responses to the following questions are used for the child care market rate analysis. HHS uses the child care rate data collected to set the Child Care Assistance Program provider reimbursement rates.

Please answer the questions, even if you do not have a CCA agreement with Iowa HHS.

How does Peter's perfect piggys charge for child care? (select all that apply)

- Families are charged by hour of care
- Families are charged daily
- Families are charged weekly
- Families are charged monthly
- Our program does not charge families for child care
