AGENDA TOPIC

ITEMS

New MCO Molina	They are hiring an IHH person, and we will introduce that person once they have been orientated a bit. Jean McClurken is the BH director and introduced herself. She has been reaching out folks. Her email is jean.mcclurken@molinahealthcare.com for questions.
Documentation	

<p>IoWANS</p>	<p>IoWANS Access: we need at least 2 staff at each Health Home with access (A disabled access does not count). If we have reached out to you and you have not responded, this is a requirement as a Health Home. Please get your access. THANK YOU to those that are working on this!</p> <p>We continue to work on updating IoWANS to create a milestone for CSA when you have uploaded the CASH. This project has been moved to testing. Once testing has been completed by all, it will be moved into production.</p> <p>For now, please continue to send an email to assessments Iowa Assessmentslowa@telligen.com to let them know it was uploaded to IMPA.</p> <p>User guide for questions on how to navigate.</p>  <p>IoWANS User Guide.pdf</p>
<p>IMPA</p>	<p>IMPA Access: Make sure all staff have all of the needed access. Documents are late because of this. Updated Training is on the website Iowa Health Home Program</p> <p>Asking to add IMW lookup in IMPA for Health Homes. No update</p>
<p>Quality Improvement Workgroup</p>	<p>We will be starting 2 workgroups in January of 2023. Health Information Technology and Reimbursement Study. More to come.</p>
<p>IHH Director Meeting</p>	<p>Next Meeting January 17th, agenda items due January 3rd EOD.</p>
<p>General</p>	<p>We plan to terminate the CCHH SPA Effective June 30, 2023. Question: Why is it ending. It takes a lot of resources to manage a Health Home SPA and there was not much engagement.</p>
<p>Open Discussion</p>	<p>The last Open Office Hours for the state will be December 29th. We will be phasing these out as we don't have a lot to share which isn't a good use of your time. We will be sending out updates like this on a monthly basis and ad hoc to keep you informed on</p>

FFS members. The MCOs are your source of truth and where you need to go for technical assistance. They have great staff with lots of great knowledge, not using them as a resource is a disadvantage for your Health Home. If you have FFS questions, please email the Health Home email healthhomes@dhs.state.ia.us. We can add a Q & A section to this update so you can have an answer to that question as well.

Director's send me feedback on what you would like to see in this monthly email. It is important that you have a process on how you share and implement information provided to you by the State and the MCOs. We have been thinking though the best way to communicate information to you in a way that is useful. I share about the same thing every week and it is really for a small group of Health Homes and is not a global need and not a good use of your time.

When an MCO says contact DHS, DHS could mean several different contacts. See below:
