Problem Gambling Treatment Webinar Series

IPN Problem Gambling Treatment Webinar Series

This six part webinar series has been developed to provide an overview of problem gambling treatment basics, IPN RFP expectations, as well as clinician resources on each topic. All sessions will be recorded and posted on the IPN (coming soon!) and IGTP website. CEU's have been applied for.

- **IPN Problem Gambling Treatment Services and Expectations (Eric Preuss)**

- Thursday, February 14, 2019 (1:30-3)

- *Description: Review of IPN Problem Gambling Treatment expectations, eligibility, services (outpatient, IOP, and Early Intervention), data entry (I-SMART), data integrity, 30 day follow-up, and available counselor/clinician resources.*
