To ensure the fair has a strong tobacco-free/nicotine-free policy, and to qualify for free window clings and outdoor signage, the policy must explicitly include all of the following:

- ✓ Policy must include 100% tobacco-free/nicotine-free grounds, at all times
- ✓ Policy must extend to all types of tobacco, nicotine, vape, and ESD products (i.e. not only cigarettes; include all tobacco, ESDs and nicotine products not approved by the FDA for cessation.)
- ✓ There should not be any designated smoking / tobacco use areas
- ✓ Policy must include persons responsible for enforcement
