Who's on the Executive Council?

HSB126**Division I – Dept of Health and Human Services**

(Incorporates Iowa Dept. of Public Health, Aging, Human Rights, Early Childhood Iowa)

Primary responsibility for services to individuals to promote the well-being and the social and economic development of the people of the state.

Supervision of public health programs, promotion of public hygiene and sanitation, treatment and prevention of substance use disorder and enforcement of related laws.

Leadership and program management for programs which serve the older individuals of the state.

Services relating to Latino persons, women, persons with disabilities, community action agencies, criminal and juvenile justice planning, African Americans, deaf and hard of hearing persons, persons of Asian and Pacific Islander heritage and Native Americans.

Pg. 1 – LSA and IHHD will be responsible for criminal and juvenile justice planning and shall develop a protocol for analyzing the impact of the legislation on minorities

Each state board, commission, department and division of state government and each institution under the control of the Dept of HHS, IDOC, State Bd of Regents and each division of IDOT Required to keep a written, detailed, up-to-date inventory of all real and personal property belonging to the state and under their charge, control and management (has to be in the form prescribed by the Director of Dept of Admin Services)

The executive council shall receive requests from the IHHS relative to the purchase, storing and distribution of vaccines and medication for prevention, prophylaxis or treatment. The expense may be approved and payment authorized by the Executive Council

2- 4 Present principal state departments listed

5 If the appropriation of a dept, institution or agency is insufficient to properly meet the legitimate expenses of the dept, institution or agency, the director with the approval of the governor, make an interdepartmental transfer from any other dept, institution or agency of the state having an appropriation in excess of its needs, of sufficient funds to meet that deficiency. Such transfer shall be to an appropriation made from the same funding source and within the same fiscal year.

Contract , with the approval of the executive council, for the repair, remodeling or, if the condition warrants, demolition of all buildings and grounds of the state.

6 – fuel in state-assigned automobiles shall be purchased from state agency locations. If not reasonably accessible, the director can authorize fuel from other sources.

7-11 *Debts, liens, collections*

12 Repayment of audit expenses by state departments and agencies.

13 Deposits by state officers

Money deposited in Healthy Iowans Tobacco Trust is endowed for purposes related to health care, substance use disorder treatment and enforcement, tobacco use prevention and control, and other purposes related to the needs of children, adults and families in the state.

14 The Attorney General may appoint one assistant attorney to perform and supervise the legal work of the DHHS and secretarial assistance will be provided by DHHS.

14-17 **Iowa Commission on Volunteer Service is created within DHHS.**

(Gov appoints Commission members)-pg 14-17

Retired and senior volunteer program

Iowa summer youth corps program

Iowa green corps

Iowa reading corps

Refugee RISE Americorps

Iowa National Service Corps

A council on homelessness is created

The interest costs paid by group homes of 15 beds or less licensed as health care facilities or child foster care facilities for facility acquisition and indirectly reimbursed by DHHS through payments for patients at these facilities who are recipients of medical assistance or state supplementary assistance **are severe drains on the state's budget**. A reduction in these costs obtained through financing with tax-exempt revenue bonds would clearly be in the public interest.

18-19 **Home and Community-based services revolving loan fund** created to further the availability of affordable housing for parents that are reuniting with their children while completing or participating in substance use disorder treatment. *To develop and expand facilities and infrastructure such as adult day services, respite services, congregate meals, programming space for health & wellness, health screening and nutritional assessments that address persons with low income*

Transportation

Disaster case management grant fund and program to the Executive Council but IHHS administers the program working through local administrative entities. Develop a state-wide system of disaster case management. An annual report shall be submitted to the legislature. It's for use by the Executive Council. Disaster-related case management needs of disaster-affected individuals. HHS shall work with Dept. of Homeland Security and Emergency Management and, as selected by HHS, a representative of nonprofit, voluntary, and faith-based organizations active in disaster recovery and response to establish a statewide system of disaster case management to be activated following the Governor's proclamation of a disaster emergency or the declaration of a major disaster by Pres of U.S. for individual assistance purposes. HHS shall coordinate case management services locally through one or more contracted entities. Through a Statewide program.

Provide assistance to vets and families to reduce incidence of alcohol or chemical abuse, suicide and have mental health counseling available.

25-26 *All volunteers have criminal history and child and dependent abuse record checks*

Pg 26 – 28 – State Registrar of Voters

Shall implement a single, centralized, uniform, official, interactive computerized statewide voter registration file defined, maintained and administered at the state level that contains the name and registration number of every registered voter in the state and assigns a unique identifier number to each legally registered voter in the state. The state voter registration system shall be coordinated with other agency databases in the state, including, but not limited to DOT driver's license records, judicial records of convicted felons, and persons declared incompetent to vote, and records of deceased persons. Assigns state agencies responsible for voter registration. An agency for persons with disabilities shall provide voter registration in their homes
