The Goals of PATH

- To reduce or eliminate homelessness for individuals with serious mental illnesses or co-occurring serious mental illness and substance use disorders, who are experiencing homelessness or are at imminent risk of becoming homeless.
- Path funds are used to provide an array of services, including street outreach, case management, and services not supported by mainstream mental health programs

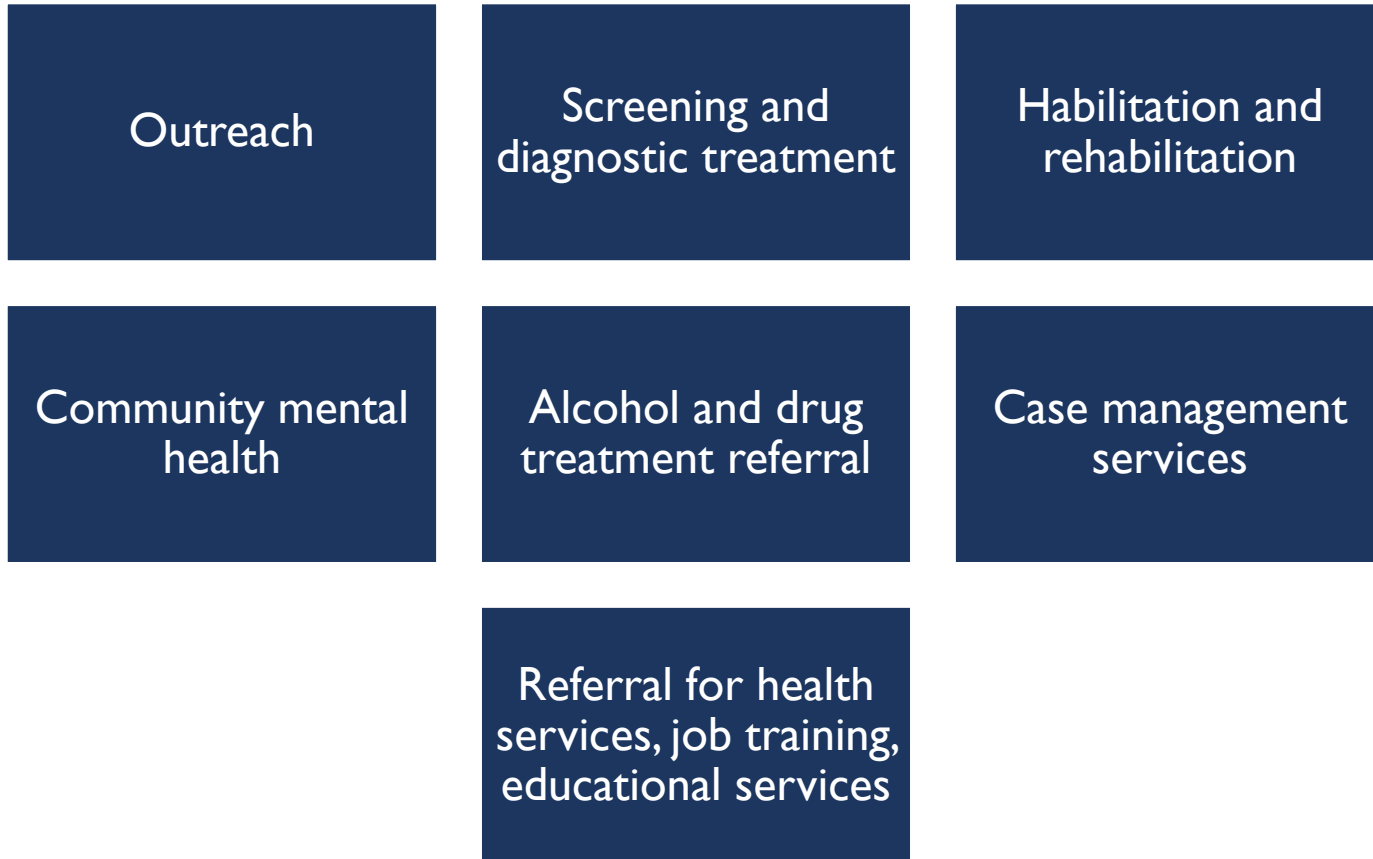

PATH Services

- Locate individuals who would otherwise not be served
- Engage in a trusting relationship
- Screen for housing and other service needs
- Assess health and behavioral health needs
- Provide direct care and services as able
- Refer to housing, health and behavioral health treatment resources.

Eligible Services Through PATH

Housing Services Include:

- Planning for housing
- Technical assistance in applying for housing assistance
- Improvement in the coordination of housing services
- Security deposits
- Costs associated with matching eligible individuals who are experiencing homelessness with appropriate housing situations.
