95 University Avenue, Suite #8  
Des Moines, Iowa 50314

Dear Ms. McGraw:

It is the Department's understanding that your program is in the process of transitioning from national accredited bodies of CARF to The Joint Commission. We have received the most recent The Joint Commission accreditation materials for the Davenport location and it has been communicated to the Department that the Des Moines location will remain CARF accredited until the current CARF cycle expires (November 30, 2024). The Department will recommend a license renewal through the CARF accredited cycle, at which time your program would submit a re-application with the additional The Joint Commission accreditation materials for the Des Moines location.

Center for Behavioral Health Iowa, LLC will be placed on the agenda for the March 14, 2024 meeting of the Iowa Council on Health and Human Services, Substance Abuse and Problem Gambling Treatment Program Committee. The effective dates for your license will be February 29, 2024 to November 30, 2024.

*Center for Behavioral Health Iowa, LLC.* will be licensed to provide Adult Level 1 Substance Use Treatment and Opioid Treatment Services.
