*A household must meet two additional income limits to be eligible for FIP.

FIP
Family Investment Program
FIP income guidelines are not based on the federal poverty levels.

1) Eligibility for this coverage group is based on monthly household income and household size. Monthly income limits have been converted to FPL for presentation here.
 2) IHAWP Members 101%-133% have a sliding scale premium
 3) HAWKI Premiums are based on family income. No family pays more than \$40/mo.

4) Assistance decreases proportional to income.
 5) With additional criteria for elderly, disabled and SSI and FIP households.
 6) Due to continuous eligibility requirement for pw coverage, 375% FPL will remain for enrolled members until 1/1/2025.
