The following events have lead to this notice:

On April 15, 2009, the Department placed your certification on probation through October 27, 2012. As a condition of your probation, you are required to submit probation reports due on the tenth of April, July, October and January. The Department previously sent you a letter concerning late probation reports for the period of September through December 2010. You did provide the requested report, however the letter advised you that failure to provide future reports could lead to revocation or suspension of your certification.

You have failed to file three reports with the Department covering the periods of October through December of 2011 and January through June of 2012.

Your certification shall be suspended until the following is received, processed and approved by the Department:

- 1) Probation reports covering the period of October 1, 2011 through June 30, 2012.
- 2) \$50 civil penalty

You have the right to request a hearing concerning this notice of disciplinary action. A request for a hearing must be submitted in writing to the Department by certified mail, return receipt requested, within twenty (20) days of receipt of this Notice of Proposed Action. The written request must be submitted to the Iowa Department of Public Health, Bureau of Emergency Medical Services, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319. If the request is made within the twenty (20) day time limit, the proposed action is suspended pending the outcome of the hearing. Prior to, or at the hearing, the Department may rescind the notice upon satisfaction that the reason for the action has been or will be removed.

If no request for a hearing is received within the twenty (20) day time period, the disciplinary action proposed herein shall become effective and shall be final agency action.
