

WE NEED YOUR INPUT

Iowa HHS invites you to take a survey that will help us understand and improve the health of women and children in Iowa. Sharing your opinions and experiences will support future health care strategies and services.

You will be asked about your experiences in getting health care and social support services.

- No personal information will be collected.
- Survey results will help us identify health priorities, assess existing services and plan for a healthier future.

Survey is open until July 14, 2024
