SECTION 1: SPECIAL TERMS

1.1 Special Terms Definitions.

"**ASA**" means Associate of the Society of Actuaries.

"**Capitation Rate**" means a monthly fee paid for each member assigned or each event (for example, maternity delivery) regardless of the number of actual cost of services provided under a system of reimbursement for MCOs and PAHPs. Capitation Rates can vary by member based on demographics, location, covered services, or other characteristics. Capitation Rates can be structured so that an MCO or PAHP is fully at risk, or so that an MCO or PAHP shares the risk with other parties.

"**CMS**" means Center for Medicare and Medicaid Services.

"**Cost Effectiveness**" generally means that Medicaid's premium payment for waivers plus the cost of any additional services and cost sharing assistance that would be required would be comparable to what it would otherwise pay for the same services.

"**Dental Wellness Plan**" or "DWP" is a commercial dental plan that provides dental services for adult Iowa Medicaid members, age 19 or older.

"**FSA**" means Fellow of the Society of Actuaries.

"**IA Health Link**" is a Medicaid "SS" 1915(b) waiver program for comprehensive health care coverage for the majority of the Iowa Medicaid population. Coverage is provided under a statewide Medicaid managed care delivery system contracted through Managed Care Organizations (MCOs). IA Health Link was implemented effective April 1, 2016.

"**Iowa Health and Wellness Plan**" or "IHAWP" provides comprehensive health coverage at low or no cost to Iowans between the ages of 19 and 64, who have an income that does not exceed 133 percent of the federal poverty level, and who are not otherwise eligible for Medicaid or Medicare. The majority of IHAWP members are enrolled in managed care. The Iowa Wellness Plan is the only coverage program offered under IHAWP.

"**MAAA**" means Member of the American Academy of Actuaries.

"**Medicaid Managed Care**" is a health care delivery system organized to manage cost, utilization, and quality. It provides for the delivery of Medicaid health benefits and additional services through contracted arrangements between state Medicaid agencies and MCOs that accept a set per member per month (capitation) payment for these services.

"**PACE**" means a Program of All-Inclusive Care for the Elderly, as described by CMS.

"**PAHP**" means prepaid ambulatory health plan. There are currently two Dental Wellness Plan PAHPs and one hawk-I Program PAHP.

"**Service Organization Control 2**" or "SOC2" means the internal controls in place at the third-party service organization. For a company to receive SOC 2 certification, it must have sufficient policies and strategies that satisfactorily protect the client's data.

SECTION 2. GENERAL TERMS FOR SERVICES CONTRACTS

2.1 Definitions. Definitions in this section correspond with capitalized terms in the Contract.

“Acceptance” means that the Agency has determined that one or more Deliverables satisfy the Agency’s Acceptance Tests. Final Acceptance means that the Agency has determined that all Deliverables satisfy the Agency’s Acceptance Tests. Non-acceptance means that the Agency has determined that one or more Deliverables have not satisfied the Agency’s Acceptance Tests.

“Acceptance Criteria” means the Specifications, goals, performance measures, testing results and/or other criteria designated by the Agency and against which the Deliverables may be evaluated for purposes of Acceptance or Non-acceptance thereof.

“Acceptance Tests” or “Acceptance Testing” mean the tests, reviews, and other activities that are performed by or on behalf of the Agency to determine whether the Deliverables meet the Acceptance Criteria or otherwise satisfy the Agency, as determined by the Agency in its sole discretion.

“Applicable Law” means all applicable federal, state, and local laws, rules, ordinances, regulations, orders, guidance, and policies in place at Contract execution as well as any and all future amendments, changes, and additions to such laws as of the effective date of such change. Applicable Law includes, without limitation, all laws that pertain to the prevention of discrimination in employment and in the provision of services (e.g., Iowa Code ch. 216 and Iowa Code § 19B.7). For employment, this would include equal employment opportunity and affirmative action, and the use of targeted small businesses as subcontractors of suppliers. The term Applicable Law also encompasses the applicable provisions of Section 508 of the Rehabilitation Act of 1973, as amended, and all standards and requirements established by the Architectural and Transportation Barriers Access Board and the Iowa Office of the Chief Information Officer.

“Bid Proposal” or “Proposal” means the Contractor’s proposal submitted in response to the Solicitation, if this Contract arises out of a competitive process.

“Business Days” means any day other than a Saturday, Sunday, or State holiday as specified by Iowa Code §1C.2.

“Confidential Information” means, subject to any applicable State and federal laws and regulations, including but not limited to Iowa Code Chapter 22, any confidential or proprietary information or trade secrets disclosed by either party (a “Disclosing Party”) to the other party (a “Receiving Party”) that, at the time of disclosure, is designated as confidential (or like designation), is disclosed in circumstances of confidence, or would be understood by the parties, exercising reasonable business judgment, to be confidential. Regardless of whether or not the following information is designated as confidential, the term Confidential Information includes information that could be used to identify recipients or applicants of Agency services and recipients of Contract services including Protected Health Information (45 C.F.R. § 160.103) and Personal Information (Iowa Code § 715C.1(11)), Agency security protocols and procedures, Agency system architecture, information that could compromise the security of the Agency network or systems, and information about the Agency’s current or future competitive procurements, including the evaluation process prior to the formal announcement of results.

Confidential Information does not include any information that: (1) was rightfully in the possession of the Receiving Party from a source other than the Disclosing Party prior to the time of disclosure of the information by the Disclosing Party to the Receiving Party; (2) was known to the Receiving Party prior to the disclosure of the information by the Disclosing Party; (3) was disclosed to the Receiving Party without restriction by an independent third party having a legal right to disclose the information; (4) is in the public domain or shall have become publicly available other than as a result of disclosure by the Receiving Party in violation of this Agreement or in breach of any other agreement with the Disclosing Party; (5) is independently developed by the Receiving Party without any reliance on Confidential Information disclosed by the Disclosing Party; or (6) is disclosed

by the Receiving Party with the written consent of the Disclosing Party.

“Contract” means the collective documentation memorializing the terms of the agreement between the Agency and the Contractor identified in the Contract Declarations and Execution Section and includes the signed Contract Declarations and Execution Section, the General Terms for Services Contracts, the Special Terms, and any Special Contract Attachments, as these documents may be amended from time to time.

“Deficiency” means a defect, flaw, anomaly, failure, omission, interruption of service, or other problem of any nature whatsoever with respect to a Deliverable, including, without limitation, any failure of a Deliverable to conform to or meet an applicable specification. Deficiency also includes the lack of something essential or necessary for completeness or proper functioning of a Deliverable.

“Deliverables” means all of the services, goods, products, work, work product, data, items, materials and property to be created, developed, produced, delivered, performed, or provided by or on behalf of, or made available through, the Contractor (or any agent, contractor or subcontractor of the Contractor) in connection with this Contract. This includes data that is collected on behalf of the Agency.

“Documentation” means any and all technical information, commentary, explanations, design documents, system architecture documents, database layouts, test materials, training materials, guides, manuals, worksheets, notes, work papers, and all other information, documentation and materials related to or used in conjunction with the Deliverables, in any medium, including hard copy, electronic, digital, and magnetically or optically encoded media.

“Force Majeure” means an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the parties. Force Majeure does not include: financial difficulties of the Contractor or any parent, subsidiary, affiliated or associated company of the Contractor; claims or court orders that restrict the Contractor’s ability to deliver the Deliverables

contemplated by this Contract; strikes; labor unrest; or supply chain disruptions.

If there is a conflict between the General Terms for Services Contracts and the Special Terms, the Special Terms shall prevail.

“Specifications” means all specifications, requirements, technical standards, performance standards, representations, and other criteria related to the Deliverables stated or expressed in this Contract, the Documentation, the Solicitation, and the Bid Proposal. Specifications shall include the Acceptance Criteria and any specifications, standards, or criteria stated or set forth in any applicable state, federal, foreign, and local laws, rules and regulations. The Specifications are incorporated into this Contract by reference as if fully set forth in this Contract.

“State” means the State of Iowa, the Agency, and all State of Iowa agencies, boards, and commissions, and when this Contract is available to political subdivisions, any political subdivisions of the State of Iowa.

2.2 Duration of Contract. The term of the Contract shall begin and end on the dates specified in the Contract Declarations and Execution Section, unless extended or terminated earlier in accordance with the termination provisions of this Contract. The Agency may, in its sole discretion, amend the end date of this Contract by exercising any applicable extension by giving the Contractor a written extension at least sixty (60) days prior to the expiration of the initial term or renewal term.

2.3 Scope of Work. The Contractor shall provide Deliverables that comply with and conform to the Specifications. Deliverables shall be performed within the boundaries of the United States.

2.4 Compensation.

2.4.1 Withholding Payments. In addition to pursuing any other remedy provided herein or by law, the Agency may withhold compensation or payments to the Contractor, in whole or in part, without penalty to the Agency or work stoppage by the Contractor, in the event the Agency determines that: (1) the Contractor has failed to perform any of its duties or obligations as set forth in this Contract; (2) any Deliverable has failed to meet or conform to any applicable Specifications or contains or is experiencing a Deficiency; or (3) the Contractor has failed to perform Close-Out Event(s). No interest shall accrue or be paid to the Contractor on any compensation or other amounts withheld or retained by the Agency under this Contract.

2.4.2 Erroneous Payments and Credits. The Contractor shall promptly repay or refund the full amount of any overpayment or erroneous payment within thirty (30) Business Days after either discovery by the Contractor or notification by the Agency of the overpayment or erroneous payment.

2.4.3 Offset Against Sums Owed by the Contractor. In the event that the Contractor owes the State any sum under the terms of this Contract, any other contract or agreement, pursuant to a judgment, or pursuant to any law, the State may, in its sole discretion, offset any such sum against: (1) any sum Invoiced by, or owed to, the Contractor under this Contract, or (2) any sum or amount owed by the State to the Contractor, unless otherwise required by law. The Contractor agrees that this provision constitutes proper and timely notice under any applicable laws governing offset.

2.5 Termination.

2.5.1 Termination for Cause by the Agency. The Agency may terminate this Contract upon written notice for the breach by the Contractor or any subcontractor of any material term, condition or provision of this Contract, if such breach is not cured within the time period specified in the Agency's notice of breach or any subsequent notice or correspondence delivered by the Agency to the Contractor, provided that cure is feasible. In addition, the Agency may terminate this Contract

effective immediately without penalty and without advance notice or opportunity to cure for any of the following reasons:

2.5.1.1 The Contractor furnished any statement, representation, warranty, or certification in connection with this Contract, the Solicitation, or the Bid Proposal that is false, deceptive, or materially incorrect or incomplete;

2.5.1.7 The Agency determines or believes the Contractor has engaged in conduct that: (1) has or may expose the Agency or the State to material liability; or (2) has caused or may cause a person's life, health, or safety to be jeopardized;

2.5.1.8 The Contractor infringes or allegedly infringes or violates any patent, trademark, copyright, trade dress, or any other intellectual property right or proprietary right, or the Contractor misappropriates or allegedly misappropriates a trade secret;

2.5.1.9 The Contractor fails to comply with any applicable confidentiality laws, privacy laws, or any provisions of this Contract pertaining to confidentiality or privacy; or

2.5.1.10 Any of the following has been engaged in by or occurred with respect to the Contractor or any corporation, shareholder or entity having or owning a controlling interest in the Contractor:

- Commencing or permitting a filing against it which is not discharged within ninety (90) days, of a case or other proceeding seeking liquidation, reorganization,

or other relief with respect to itself or its debts under any bankruptcy, insolvency, or other similar law now or hereafter in effect; or filing an answer admitting the material allegations of a petition filed against it in any involuntary case or other proceeding commenced against it seeking liquidation, reorganization, or other relief under any bankruptcy, insolvency, or other similar law now or hereafter in effect with respect to it or its debts; or consenting to any such relief or to the appointment of or taking possession by any such official in any voluntary case or other proceeding commenced against it seeking liquidation, reorganization, or other relief under any bankruptcy, insolvency, or other similar law now or hereafter in effect with respect to it or its debts;

2.5.2 Termination Upon Notice. Following a thirty (30) day written notice, the Agency may terminate this Contract in whole or in part without penalty and without incurring any further obligation to the Contractor. Termination can be for any reason or no reason at all.

2.5.3 Termination Due to Lack of Funds or Change in Law. Notwithstanding anything in this Contract to the contrary, and subject to the limitations set forth below, the Agency shall have the right to terminate this Contract without penalty and without any advance notice as a result of any of the following:

- 2.5.3.1** The legislature or governor fail in the sole opinion of the Agency to appropriate funds sufficient to allow the Agency to either meet its obligations under this Contract or to operate as required and to fulfill its obligations under this Contract; or
- 2.5.3.2** If funds are de-appropriated, reduced, not allocated, or receipt of funds is delayed, or if any funds or revenues needed by the Agency to make any payment hereunder are insufficient or unavailable for

any other reason as determined by the Agency in its sole discretion; or

2.5.3.3 If the Agency's authorization to conduct its business or engage in activities or operations related to the subject matter of this Contract is withdrawn or materially altered or modified; or

The Agency shall provide the Contractor with written notice of termination pursuant to this section.

2.5.4 Other remedies. The Agency's right to terminate this Contract shall be in addition to and not exclusive of other remedies available to the Agency, and the Agency shall be entitled to exercise any other rights and pursue any remedies, in law, at equity, or otherwise.

2.5.5 Limitation of the State's Payment

Obligations. In the event of termination of this Contract for any reason by either party (except for termination by the Agency pursuant to Section 2.5.1, *Termination for Cause by the Agency*) the Agency shall pay only those amounts, if any, due and owing to the Contractor hereunder for Deliverables actually and satisfactorily provided in accordance with the provisions of this Contract up to and including the date of termination of this Contract and for which the Agency is obligated to pay pursuant to this Contract; provided however, that in the event the Agency terminates this Contract pursuant to Section 2.5.3, *Termination Due to Lack of Funds or Change in Law*, the Agency's obligation to pay the Contractor such amounts and other compensation shall be limited by, and subject to, legally available funds. Payment will be made only upon submission of Invoices and proper proof of the Contractor's claim. Notwithstanding the foregoing, this section in no way limits the rights or remedies available to the Agency and shall not be construed to require the Agency to pay any compensation or other amounts hereunder in the event of the Contractor's breach of this Contract or any amounts withheld by the Agency in accordance with the terms of this Contract. The Agency shall not be liable, under any circumstances, for any of the following:

2.5.5.1 The payment of unemployment compensation to the Contractor's employees;

2.5.5.2 The payment of workers' compensation claims, which occur during the Contract or extend beyond the date on which the Contract terminates;

Upon receipt of notice of termination, at expiration of the Contract, or upon request of the Agency (hereafter, "Close-Out Event"), the Contractor shall:

2.5.6.1 Cease work under this Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the Close-Out Event, describing the status of all work performed under the Contract and such other matters as the Agency may require.

2.5.6.2 Immediately cease using and return to the Agency any property or materials, whether tangible or intangible, provided by the Agency to the Contractor.

2.5.6.3 Cooperate in good faith with the Agency and its employees, agents, and independent contractors during the transition period between the Close-Out Event and the substitution of any replacement service provider.

2.5.6.4 Immediately return to the Agency any payments made by the Agency for Deliverables that were not rendered or provided by the Contractor.

2.5.6.5 Immediately deliver to the Agency any and all Deliverables for which the Agency has made payment (in whole or in part) that are in the possession or under the control of the Contractor or its agents or subcontractors in whatever stage of development and form of recordation such property is expressed or embodied at that time.

2.5.7 Termination for Cause by the Contractor.

The Contractor may only terminate this Contract for the breach by the Agency of any material term of this Contract, if such breach is not cured within sixty (60)

days of the Agency's receipt of the Contractor's written notice of breach.

2.7.1 By the Contractor. The Contractor agrees to indemnify and hold harmless the State and its officers, appointed and elected officials, board and commission members, employees, volunteers, and agents (collectively the "Indemnified Parties"), from any and all costs, expenses, losses, claims, damages, liabilities, settlements, and judgments (including, without limitation, the reasonable value of the time spent by the Attorney General's Office,) and the costs, expenses, and attorneys' fees of other counsel retained by the Indemnified Parties directly or indirectly related to, resulting from, or arising out of this Contract, including but not limited to any claims related to, resulting from, or arising out of:

2.7.1.5 Any claim of misappropriation of a trade secret or infringement or violation of any intellectual property rights, proprietary rights, or personal rights of any third party, including any claim that any Deliverable or any use thereof (or the exercise of any rights with respect thereto) infringes, violates, or misappropriates any patent, copyright, trade secret, trademark, trade dress, mask work, utility design, or other intellectual property right or proprietary right of any third party.

2.8 Insurance.

2.8.1 Insurance Requirements. The Contractor, and any subcontractor, shall maintain in full force and effect, with insurance companies licensed by the State of Iowa, at the Contractor's expense, insurance covering its work during the entire term of this Contract, which includes any extensions or renewals

thereof. The Contractor's insurance shall, among other things:

2.8.1.1 Be occurrence based and shall insure against any loss or damage resulting from or related to the Contractor's performance of this Contract regardless of the date the claim is filed or expiration of the policy.

2.8.1.2. Name the State of Iowa and the Agency as additional insureds or loss payees on the policies for all coverages required by this Contract, with the exception of Workers' Compensation, or the Contractor shall obtain an endorsement to the same effect; and

2.8.1.3 Provide a waiver of any subrogation rights that any of its insurance carriers might have against the State on the policies for all coverages required by this Contract, with the exception of Workers' Compensation.

The requirements set forth in this section shall be indicated on the certificates of insurance coverage supplied to the Agency.

2.8.2 Types and Amounts of Insurance Required.

Unless otherwise requested by the Agency in writing, the Contractor shall cause to be issued insurance coverages insuring the Contractor and/or subcontractors against all general liabilities, product liability, personal injury, property damage, and (where applicable) professional liability in the amount specified in the Special Terms for each occurrence. In addition, the Contractor shall ensure it has any necessary workers' compensation and employer liability insurance as required by Iowa law.

2.8.3 Certificates of Coverage. The Contractor shall submit certificates of the insurance, which indicate coverage and notice provisions as required by this Contract, to the Agency upon execution of this Contract. The Contractor shall maintain all insurance policies required by this Contract in full force and effect during the entire term of this Contract, which includes any extensions or renewals thereof, and shall not permit such policies to be canceled or amended except with the advance written approval of the Agency. The insurer shall state in the certificate that no cancellation of the insurance will be made without at least a thirty (30) day prior written notice to the Agency. The certificates shall be subject to approval by the Agency. Approval of the insurance certificates by the Agency shall not relieve the Contractor of any obligation under this Contract.

2.8.4 Notice of Claim. Contractor shall provide prompt notice to the Agency of any claim related to

the contracted services made by a third party. If the claim matures to litigation, the Contractor shall keep the Agency regularly informed of the status of the lawsuit, including any substantive rulings. The Contractor shall confer directly with the Agency about and before any substantive settlement negotiations.

2.9 Ownership and Security of Agency Information.

2.9.1 Ownership and Disposition of Agency Information. Any information either supplied by the Agency to the Contractor, or collected by the Contractor on the Agency's behalf in the course of the performance of this Contract, shall be considered the property of the Agency ("Agency Information"). The Contractor will not use the Agency Information for any purpose other than providing services under the Contract, nor will any part of the information and records be disclosed, sold, assigned, leased, or otherwise provided to third parties or commercially exploited by or on behalf of the Contractor. The Agency shall own all Agency Information that may reside within the Contractor's hosting environment and/or equipment/media.

2.9.2 Foreign Hosting and Storage Prohibited. Agency Information shall be hosted and/or stored within the continental United States only.

2.9.3 Access to Agency Information that is Confidential Information. The Contractor's employees, agents, and subcontractors may have access to Agency Information that is Confidential Information to the extent necessary to carry out responsibilities under the Contract. Access to such Confidential Information shall comply with both the State's and the Agency's policies and procedures. In all instances, access to Agency Information from outside of the United States and its protectorates, either by the Contractor, including a foreign office or division of the Contractor or its affiliates or associates, or any subcontractor, is prohibited.

2.9.4 No Use or Disclosure of Confidential Information. Confidential Information collected, maintained, or used in the course of performance of the Contract shall only be used or disclosed by the Contractor as expressly authorized by law and only with the prior written consent of the Agency, either during the period of the Contract or thereafter. The Contractor shall immediately report to the Agency any unauthorized use or disclosure of Confidential Information. The Contractor may be held civilly or

criminally liable for improper use or disclosure of Confidential Information.

2.9.5 Contractor Breach Notification Obligations.

The Contractor agrees to comply with all applicable laws that require the notification of individuals in the event of unauthorized use or disclosure of Confidential Information or other event(s) requiring notification in accordance with applicable law. In the event of a breach of the Contractor's security obligations or other event requiring notification under applicable law, the Contractor agrees to follow Agency directives, which may include assuming responsibility for informing all such individuals in accordance with applicable laws, and to indemnify, hold harmless, and defend the State of Iowa against any claims, damages, or other harm related to such breach.

2.9.6 Compliance of Contractor Personnel. The Contractor and the Contractor's personnel shall comply with the Agency's and the State's security and personnel policies, procedures, and rules, including any procedure which the Agency's personnel, contractors, and consultants are normally asked to follow. The Contractor agrees to cooperate fully and to provide any assistance necessary to the Agency in the investigation of any security breaches that may involve the Contractor or the Contractor's personnel. All services shall be performed in accordance with State Information Technology security standards and policies as well as Agency security protocols and procedures. By way of example only, see Iowa Code 8B.23, <http://secureonline.iowa.gov/links/index.html>, and <https://ocio.iowa.gov/home/standards>.

2.9.7 Subpoena. In the event that a subpoena or other legal process is served upon the Contractor for records containing Confidential Information, the Contractor shall promptly notify the Agency and cooperate with the Agency in any lawful effort to protect the Confidential Information.

2.9.8 Return and/or Destruction of Information. Upon expiration or termination of the Contract for any reason, the Contractor agrees to comply with all Agency directives regarding the return or destruction of all Agency Information and any derivative work. Delivery of returned Agency Information must be through a secured electronic transmission or by parcel service that utilizes tracking numbers. Such information must be provided in a format useable by the Agency. Following the Agency's verified receipt of the Agency Information and any derivative work,

the Contractor agrees to physically and/or electronically destroy or erase all residual Agency Information regardless of format from the entire Contractor's technology resources and any other storage media. This includes, but is not limited to, all production copies, test copies, backup copies and/or printed copies of information created on any other servers or media and at all other Contractor sites. Any permitted destruction of Agency Information must occur in such a manner as to render the information incapable of being reconstructed or recovered. The Contractor will provide a record of information destruction to the Agency for inspection and records retention no later than thirty (30) days after destruction.

2.9.9 Contractor's Inability to Return and/or Destroy Information. If for any reason the Agency Information cannot be returned and/or destroyed upon expiration or termination of the Contract, the Contractor agrees to notify the Agency with an explanation as to the conditions which make return and/or destruction not possible or feasible. Upon mutual agreement by both parties that the return and/or destruction of the information is not possible or feasible, the Contractor shall make the Agency Information inaccessible. The Contractor shall not use or disclose such retained Agency Information for any purposes other than those expressly permitted by the Agency. The Contractor shall provide to the Agency a detailed description as to the procedures and methods used to make the Agency Information inaccessible no later than thirty (30) days after making the information inaccessible. If the Agency provides written permission for the Contractor to retain the Agency Information in the Contractor's information systems, the Contractor will extend the protections of this Contract to such information and limit any further uses or disclosures of such information.

2.9.10 Contractors that are Business Associates. If the Contractor is the Agency's Business Associate, and there is a conflict between the Business Associate Agreement and this Section 2.9, the provisions in the Business Associate Agreement shall control.

2.10 Intellectual Property.

2.10.1 Ownership and Assignment of Other Deliverables. The Contractor agrees that the State and the Agency shall become the sole and exclusive owners of all Deliverables. The Contractor hereby

irrevocably assigns, transfers and conveys to the State and the Agency all right, title and interest in and to all Deliverables and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables, including copyrights, patents, trademarks, trade secrets, trade dress, mask work, utility design, derivative works, and all other rights and interests therein or related thereto. The Contractor represents and warrants that the State and the Agency shall acquire good and clear title to all Deliverables, free from any claims, liens, security interests, encumbrances, intellectual property rights, proprietary rights, or other rights or interests of the Contractor or of any third party, including any employee, agent, contractor, subcontractor, subsidiary, or affiliate of the Contractor. The Contractor (and Contractor's employees, agents, contractors, subcontractors, subsidiaries and affiliates) shall not retain any property interests or other rights in and to the Deliverables and shall not use any Deliverables, in whole or in part, for any purpose, without the prior written consent of the Agency and the payment of such royalties or other compensation as the Agency deems appropriate. Unless otherwise requested by the Agency, upon completion or termination of this Contract, the Contractor will immediately turn over to the Agency all Deliverables not previously delivered to the Agency, and no copies thereof shall be retained by the Contractor or its employees, agents, subcontractors, or affiliates, without the prior written consent of the Agency.

2.10.2 Waiver. To the extent any of the Contractor's rights in any Deliverables are not subject to assignment or transfer hereunder, including any moral rights and any rights of attribution and of integrity, the Contractor hereby irrevocably and unconditionally waives all such rights and enforcement thereof and agrees not to challenge the State's rights in and to the Deliverables.

2.10.3 Further Assurances. At the Agency's request, the Contractor will execute and deliver such instruments and take such other action as may be requested by the Agency to establish, perfect, or protect the State's rights in and to the Deliverables and to carry out the assignments, transfers and conveyances set forth in Section 2.10, *Intellectual Property*.

2.10.4 Publications. Prior to completion of all services required by this Contract, the Contractor shall not publish in any format any final or interim

report, document, form, or other material developed as a result of this Contract without the express written consent of the Agency. Upon completion of all services required by this Contract, the Contractor may publish or use materials developed as a result of this Contract, subject to confidentiality restrictions, and only after the Agency has had an opportunity to review and comment upon the publication. Any such publication shall contain a statement that the work was done pursuant to a contract with the Agency and that it does not necessarily reflect the opinions, findings, and conclusions of the Agency.

2.11 Warranties.

2.11.1 Construction of Warranties Expressed in this Contract with Warranties Implied by Law.

Warranties made by the Contractor in this Contract, whether: (1) this Contract specifically denominates the Contractor's promise as a warranty; or (2) the warranty is created by the Contractor's affirmation or promise, by a description of the Deliverables to be provided, or by provision of samples to the Agency, shall not be construed as limiting or negating any warranty provided by law, including without limitation, warranties that arise through the course of dealing or usage of trade. The warranties expressed in this Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. With the exception of Subsection 2.11.3, the provisions of this section apply during the Warranty Period as defined in the Contract Declarations and Execution Section.

2.11.2 Contractor represents and warrants that:

2.11.2.1 All Deliverables shall be wholly original with and prepared solely by the Contractor; or it owns, possesses, holds, and has received or secured all rights, permits, permissions, licenses, and authority necessary to provide the Deliverables to the Agency hereunder and to assign, grant and convey the rights, benefits, licenses, and other rights assigned, granted, or conveyed to the Agency hereunder or under any license agreement related hereto without violating any rights of any third party;

2.11.2.2 The Contractor has not previously and will not grant any rights in any Deliverables to any third party that are inconsistent with the rights granted to the Agency herein; and

2.11.2.3 The Agency shall peacefully and quietly have, hold, possess, use, and enjoy the Deliverables without suit, disruption, or interruption.

2.11.3 The Contractor represents and warrants that:

2.11.3.1 The Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables); and
2.11.3.2 The Agency's use of, and exercise of any rights with respect to, the Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables), do not and will not, under any circumstances, misappropriate a trade secret or infringe upon or violate any copyright, patent, trademark, trade dress or other intellectual property right, proprietary right or personal right of any third party. The Contractor further represents and warrants there is no pending or threatened claim, litigation, or action that is based on a claim of infringement or violation of an intellectual property right, proprietary right or personal right or misappropriation of a trade secret related to the Deliverables. The Contractor shall inform the Agency in writing immediately upon becoming aware of any actual, potential, or threatened claim of or cause of action for infringement or violation or an intellectual property right, proprietary right, or personal right or misappropriation of a trade secret. If such a claim or cause of action arises or is likely to arise, then the Contractor shall, at the Agency's request and at the Contractor's sole expense:

- Procure for the Agency the right or license to continue to use the Deliverable at issue;
- Replace such Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation;
- Modify or replace the affected portion of the Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation; or
- Accept the return of the Deliverable at issue and refund to the Agency all fees, charges, and any other amounts paid by the Agency with respect to such Deliverable. In addition, the Contractor agrees to indemnify, defend, protect, and hold harmless the State and its officers, directors, employees, officials, and agents as provided in the Indemnification Section of this Contract, including for any breach of the representations and warranties made by the Contractor in this section.

The warranty provided in this Section 2.11.3 shall be perpetual, shall not be subject to the contractual

Warranty Period, and shall survive termination of this Contract. The foregoing remedies provided in this subsection shall be in addition to and not exclusive of other remedies available to the Agency and shall survive termination of this Contract.

2.11.4 The Contractor represents and warrants that the Deliverables shall:

2.11.4.1 Be free from material Deficiencies; and
2.11.4.2 Meet, conform to, and operate in accordance with all Specifications and in accordance with this Contract during the Warranty Period, as defined in the Contract Declarations and Execution Section. During the Warranty Period the Contractor shall, at its expense, repair, correct or replace any Deliverable that contains or experiences material Deficiencies or fails to meet, conform to or operate in accordance with Specifications within five (5) Business Days of receiving notice of such Deficiencies or failures from the Agency or within such other period as the Agency specifies in the notice. In the event the Contractor is unable to repair, correct, or replace such Deliverable to the Agency's satisfaction, the Contractor shall refund the fees or other amounts paid for the Deliverables and for any services related thereto. The foregoing shall not constitute an exclusive remedy under this Contract, and the Agency shall be entitled to pursue any other available contractual, legal, or equitable remedies. The Contractor shall be available at all reasonable times to assist the Agency with questions, problems, and concerns about the Deliverables, to inform the Agency promptly of any known Deficiencies in any Deliverables, repair and correct any Deliverables not performing in accordance with the warranties contained in this Contract, notwithstanding that such Deliverables may have been accepted by the Agency, and provide the Agency with all necessary materials with respect to such repaired or corrected Deliverable.

2.11.5 The Contractor represents, warrants and covenants that all services to be performed under this Contract shall be performed in a professional, competent, diligent, and workmanlike manner by knowledgeable, trained, and qualified personnel, all in accordance with the terms and Specifications of this Contract and the standards of performance considered generally acceptable in the industry for similar tasks and projects. In the absence of a Specification for the performance of any portion of this Contract, the parties agree that the applicable Specification shall be the generally accepted industry standard. So long as the Agency notifies the

Contractor of any services performed in violation of this standard, the Contractor shall re-perform the services at no cost to the Agency, such that the services are rendered in the above-specified manner, or if the Contractor is unable to perform the services as warranted, the Contractor shall reimburse the Agency any fees or compensation paid to the Contractor for the unsatisfactory services.

2.11.6 The Contractor represents and warrants that the Deliverables will comply with all Applicable Law.

2.11.7 Obligations Owed to Third Parties. The Contractor represents and warrants that all obligations owed to third parties with respect to the activities contemplated to be undertaken by the Contractor pursuant to this Contract are or will be fully satisfied by the Contractor so that the Agency will not have any obligations with respect thereto.

2.12 Acceptance of Deliverables.

2.12.1 Acceptance of Written Deliverables. For the purposes of this section, written Deliverables means documents including, but not limited to project plans, planning documents, reports, or instructional materials ("Written Deliverables"). Although the Agency determines what Written Deliverables are subject to formal Acceptance, this section generally does not apply to routine progress or financial reports. Absent more specific Acceptance Criteria in the Special Terms, following delivery of any Written Deliverable pursuant to the Contract, the Agency will notify the Contractor whether or not the Deliverable meets contractual specifications and requirements. Written Deliverables shall not be considered accepted by the Agency, nor does the Agency have an obligation to pay for such Deliverables, unless and until the Agency has notified the Contractor of the Agency's Final Acceptance of the Written Deliverables. In all cases, any statements included in such Written Deliverables that alter or conflict with any contractual requirements shall in no way be considered as changing the contractual requirements unless and until the parties formally amend the Contract.

2.12.2. Reserved. (Acceptance of Software Deliverables)

2.12.3 Notice of Acceptance and Future Deficiencies. The Contractor's receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable shall not be construed as a waiver of any of the Agency's rights to enforce the

terms of this Contract or require performance in the event the Contractor breaches this Contract or any Deficiency is later discovered with respect to such Deliverable.

2.13 Contract Administration.

2.13.1 Independent Contractor. The status of the Contractor shall be that of an independent contractor. The Contractor, its employees, agents, and any subcontractors performing under this Contract are not employees or agents of the State or any agency, division, or department of the State simply by virtue of work performed pursuant to this Contract. Neither the Contractor nor its employees shall be considered employees of the Agency or the State for federal or state tax purposes simply by virtue of work performed pursuant to this Contract. The Agency will not withhold taxes on behalf of the Contractor (unless required by law).

2.13.2 Incorporation of Documents. To the extent this Contract arises out of a Solicitation, the parties acknowledge that the Contract consists of these contract terms and conditions as well as the Solicitation and the Bid Proposal. The Solicitation and the Bid Proposal are incorporated into the Contract by reference. If the Contractor proposed exceptions or modifications to the Sample Contract attached to the Solicitation or to the Solicitation itself, these proposed exceptions or modifications shall not be incorporated into this Contract unless expressly set forth herein. If there is a conflict between the Contract, the Solicitation, and the Bid Proposal, the conflict shall be resolved according to the following priority, ranked in descending order: (1) the Contract; (2) the Solicitation; (3) the Bid Proposal.

2.13.3 Intent of References to Bid Documents. To the extent this Contract arises out of a Solicitation, the references to the parties' obligations, which are contained in this Contract, are intended to supplement or clarify the obligations as stated in the Solicitation and the Bid Proposal. The failure of the parties to make reference to the terms of the Solicitation or the Bid Proposal in this Contract shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the Solicitation and the Contractor's Bid Proposal. Terms offered in the Bid Proposal, which exceed the requirements of the Solicitation, shall not be construed as creating an inconsistency or conflict with the Solicitation or the

Contract. The contractual obligations of the Agency are expressly stated in this document. The Bid Proposal does not create any express or implied obligations of the Agency.

2.13.4 Compliance with the Law. The Contractor, its employees, agents, and subcontractors shall comply at all times with all Applicable Law. All such Applicable Law is incorporated into this Contract as of the effective date of the Applicable Law. The Contractor and Agency expressly reject any proposition that future changes to Applicable Law are inapplicable to this Contract and the Contractor's provision of Deliverables and/or performance in accordance with this Contract. When providing Deliverables pursuant to this Contract the Contractor, its employees, agents, and subcontractors shall comply with all Applicable Law.

2.13.4.1 The Contractor, its employees, agents, and subcontractors shall not engage in discriminatory employment practices which are forbidden by Applicable Law. Upon the State's written request, the Contractor shall submit to the State a copy of its affirmative action plan, containing goals and time specifications, and non-discrimination and accessibility plans and policies regarding services to clients as required under 11 Iowa Admin. Code chapter 121.

2.13.4.2 In the event the Contractor contracts with third parties for the performance of any of the Contractor obligations under this Contract as set forth in Section 2.13.9, the Contractor shall take such steps as necessary to ensure such third parties are bound by the terms and conditions contained in this Section 2.13.4.

2.13.4.3 Notwithstanding anything in this Contract to the contrary, the Contractor's failure to fulfill any requirement set forth in this Section 2.13.4 shall be regarded as a material breach of this Contract and the State may cancel, terminate, or suspend in whole or in part this Contract. The State may further declare the Contractor ineligible for future state contracts in accordance with authorized procedures or the Contractor may be subject to other sanctions as provided by law or rule.

2.13.4.4 The Contractor, its employees, agents, and subcontractors shall also comply with all Applicable Law regarding business permits and licenses that may be required to carry out the work performed under this Contract.

2.13.4.5 If all or a portion of the funding used to pay for the Deliverables is being provided through a grant

from the Federal Government, the Contractor acknowledges and agrees that pursuant to applicable federal laws, regulations, circulars, and bulletins, the awarding agency of the Federal Government reserves certain rights including, without limitation, a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes, the Deliverables developed under this Contract and the copyright in and to such Deliverables.

2.13.5 Procurement. The Contractor shall use procurement procedures that comply with all applicable federal, state, and local laws and regulations.

2.13.6 Non-Exclusive Rights. This Contract is not exclusive. The Agency reserves the right to select other contractors to provide Deliverables similar or identical to those described in the Scope of Work during the entire term of this Contract, which includes any extensions or renewals thereof.

2.13.7 Amendments. This Contract may only be amended by mutual written consent of the parties, with the exception of (1) the Contract end date, which may be extended under the Agency's sole discretion, and (2) the Business Associate Agreement, which may be modified or replaced on notice pursuant to Section 1.5, *Business Associate Agreement*. Amendments shall be executed on a form approved by the Agency that expressly states the intent of the parties to amend this Contract. This Contract shall not be amended in any way by use of terms and conditions in an Invoice or other ancillary transactional document. To the extent that language in a transactional document conflicts with the terms of this Contract, the terms of this Contract shall control.

2.13.8 No Third Party Beneficiaries. There are no third party beneficiaries to this Contract. This Contract is intended only to benefit the State and the Contractor.

2.13.9 Use of Third Parties. The Agency acknowledges that the Contractor may contract with third parties for the performance of any of the Contractor's obligations under this Contract. The Contractor shall notify the Agency in writing of all subcontracts relating to Deliverables to be provided under this Contract prior to the time the subcontract(s) become effective. The Agency reserves the right to review and approve all subcontracts. The Contractor may enter into these contracts to complete the project provided that the

Contractor remains responsible for all Deliverables provided under this Contract. All restrictions, obligations, and responsibilities of the Contractor under this Contract shall also apply to the subcontractors and the Contractor shall include in all of its subcontracts a clause that so states. The Agency shall have the right to request the removal of a subcontractor from the Contract for good cause.

2.13.10 Choice of Law and Forum. The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this Contract without regard to the conflict of law provisions of Iowa law. Any and all litigation commenced in connection with this Contract shall be brought and maintained solely in Polk County District Court for the State of Iowa, Des Moines, Iowa, or in the United States District Court for the Southern District of Iowa, Central Division, Des Moines, Iowa, wherever jurisdiction is appropriate. This provision shall not be construed as waiving any immunity to suit or liability including without limitation sovereign immunity in State or Federal court, which may be available to the Agency or the State of Iowa.

2.13.11 Assignment and Delegation. The Contractor may not assign, transfer, or convey in whole or in part this Contract without the prior written consent of the Agency. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment. The Contractor may not delegate any of its obligations or duties under this Contract without the prior written consent of the Agency. The Contractor may not assign, pledge as collateral, grant a security interest in, create a lien against, or otherwise encumber any payments that may or will be made to the Contractor under this Contract.

2.13.12 Integration. This Contract represents the entire Contract between the parties. The parties shall not rely on any representation that may have been made which is not included in this Contract.

2.13.13 No Drafter. No party to this Contract shall be considered the drafter of this Contract for the purpose of any statute, case law, or rule of construction that would or might cause any provision to be construed against the drafter.

2.13.14 Headings or Captions. The paragraph headings or captions used in this Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.

2.13.15 Not a Joint Venture. Nothing in this Contract shall be construed as creating or constituting

the relationship of a partnership, joint venture, (or other association of any kind or agent and principal relationship) between the parties hereto. No party, unless otherwise specifically provided for herein, has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to this Contract.

2.13.16 Joint and Several Liability. If the Contractor is a joint entity, consisting of more than one individual, partnership, corporation, or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this Contract, for any default of activities and obligations, and for any fiscal liabilities.

2.13.17 Supersedes Former Contracts or Agreements. This Contract supersedes all prior contracts or agreements between the Agency and the Contractor for the Deliverables to be provided in connection with this Contract.

2.13.18 Waiver. Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.

2.13.19 Notice. With the exception of the Business Associate Agreement, as set forth in Section 1.5, *Business Associate Agreement*, any notices required by the Contract shall be given in writing by registered or certified mail, return receipt requested, by receipted hand delivery, by Federal Express, courier or other similar and reliable carrier which shall be addressed to each party's Contract Manager as set forth in the Contract Declarations and Execution Section. From time to time, the parties may change the name and address of a party designated to receive notice. Such change of the designated person shall be in writing to the other party.

Each such notice shall be deemed to have been provided:

- At the time it is actually received in the case of hand delivery;
- Within one (1) day in the case of overnight delivery, courier or services such as Federal Express with guaranteed next-day delivery; or
- Within five (5) days after it is deposited in the U.S. Mail.

2.13.20 Cumulative Rights. The various rights, powers, options, elections, and remedies of any party provided in this Contract, shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by law, and shall in no way affect or impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled.

2.13.21 Severability. If any provision of this Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Contract.

2.13.22 Time is of the Essence. Time is of the essence with respect to the Contractor's performance of the terms of this Contract. The Contractor shall ensure that all personnel providing Deliverables to the Agency are responsive to the Agency's requirements and requests in all respects.

2.13.23 Authorization. The Contractor represents and warrants that:

2.13.23.1 It has the right, power, and authority to enter into and perform its obligations under this Contract.

2.13.23.2 It has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this Contract and this Contract constitutes a legal, valid, and binding obligation upon itself in accordance with its terms.

2.13.24 Successors in Interest. All the terms, provisions, and conditions of the Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, and legal representatives.

2.13.25 Records Retention and Access.

2.13.25.1 Financial Records. The Contractor shall maintain accurate, current, and complete records of the financial activity of this Contract which sufficiently and properly document and calculate all charges billed to the Agency during the entire term of this Contract, which includes any extensions or renewals thereof, and for a period of at least seven (7) years following the date of final payment or completion of any required audit (whichever is later). If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the seven (7) year period, the records must be retained until completion of the action and resolution of all issues which arise from it,

or until the end of the regular seven (7) year period, whichever is later. The Contractor shall permit the Agency, the Auditor of the State of Iowa or any other authorized representative of the State and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records, or other records of the Contractor relating to orders, Invoices or payments, or any other Documentation or materials pertaining to this Contract, wherever such records may be located. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. Based on the audit findings, the Agency reserves the right to address the Contractor's board or other managing entity regarding performance and expenditures. When state or federal law or the terms of this Contract require compliance with the OMNI Circular, or other similar provision addressing proper use of government funds, the Contractor shall comply with these additional records retention and access requirements:

2.13.25.1.1 Records of financial activity shall include records that adequately identify the source and application of funds. When the terms of this Contract require matching funds, cash contributions made by the Contractor and third-party in-kind (property or service) contributions, these funds must be verifiable from the Contractor's records. These records must contain information pertaining to contract amount, obligations, unobligated balances, assets, liabilities, expenditures, income, and third-party reimbursements.

2.13.25.1.2 The Contractor shall maintain accounting records supported by source documentation that may include but are not limited to cancelled checks, paid bills, payroll, time and attendance records, and contract award documents.

2.13.25.1.3 The Contractor, in maintaining project expenditure accounts, records and reports, shall make any necessary adjustments to reflect refunds, credits, underpayments or overpayments, as well as any adjustments resulting from administrative or compliance reviews and audits. Such adjustments shall be set forth in the financial reports filed with the Agency.

2.13.25.1.4 The Contractor shall maintain a sufficient record keeping system to provide the necessary data

for the purposes of planning, monitoring, and evaluating its program.

2.13.25.2 The Contractor shall retain all non-medical and medical client records for a period of seven (7) years from the last date of service for each patient; or in the case of a minor patient or client, for a period consistent with that established by Iowa Code § 614.1(9), whichever is greater.

2.13.26 Audits. Local governments and non-profit subrecipient entities that expend \$750,000 or more in a year in federal awards (from all sources) shall have a single audit conducted for that year in accordance with the provisions of the OMNI Circular, OMB Uniform Guidance: Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. 200. A copy of the final audit report shall be submitted to the Agency if either the schedule of findings and questioned costs or the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. If an audit report is not required to be submitted per the criteria above, the subrecipient must provide written notification to the Agency that the audit was conducted in accordance with Government Auditing Standards and that neither the schedule of findings and questioned costs nor the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. See the OMNI Circular, Section 200.330, Subrecipient and Contractor Determinations for a discussion of subrecipient versus contractor (vendor) relationships. The Contractor shall provide the Agency with a copy of any written audit findings or reports, whether in draft or final form, within two (2) Business Days following receipt by the Contractor. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

2.13.27 Reimbursement of Audit Costs. If the Auditor of the State of Iowa notifies the Agency of an issue or finding involving the Contractor's noncompliance with laws, rules, regulations, and/or contractual agreements governing the funds distributed under this Contract, the Contractor shall bear the cost of the Auditor's review and any subsequent assistance provided by the Auditor to determine compliance. The Contractor shall reimburse the Agency for any costs the Agency pays to the Auditor for such review or audit.

2.13.28 Staff Qualifications and Background Checks. The Contractor shall be responsible for assuring that all persons, whether they are employees,

agents, subcontractors, or anyone acting for or on behalf of the Contractor, are properly licensed, certified, or accredited as required under applicable state law and the Iowa Administrative Code. The Contractor shall provide standards for service providers who are not otherwise licensed, certified, or accredited under state law or the Iowa Administrative Code.

The Agency reserves the right to conduct and/or request the disclosure of criminal history and other background investigation of the Contractor, its officers, directors, shareholders, and the Contractor's staff, agents, or subcontractors retained by the Contractor for the performance of Contract services.

2.13.29 Solicitation. The Contractor represents and warrants that no person or selling agency has been employed or retained to solicit and secure this Contract upon an agreement or understanding for commission, percentage, brokerage, or contingency excepting bona fide employees or selling agents maintained for the purpose of securing business.

2.13.30 Obligations Beyond Contract Term. All obligations of the Agency and the Contractor incurred or existing under this Contract as of the date of expiration or termination will survive the expiration or termination of this Contract. Contract sections that survive include, but are not necessarily limited to, the following: (1) Section 2.4.2, *Erroneous Payments and Credits*; (2) Section 2.5.5, *Limitation of the State's Payment Obligations*; (3) Section 2.5.6, *Contractor's Contract Close-Out Duties*; (4) Section 2.7, *Indemnification*, and all subparts thereof; (5) Section 2.9, *Ownership and Security of Agency Information*, and all subparts thereof; (6) Section 2.10, *Intellectual Property*, and all subparts thereof; (7) Section 2.13.10, *Choice of Law and Forum*; (8) Section 2.13.16, *Joint and Several Liability*; (9) Section 2.13.20, *Cumulative Rights*; (10) Section 2.13.24 *Successors In Interest*; (11) Section 2.13.25, *Records Retention and Access*, and all subparts thereof; (12) Section 2.13.26, *Audits*; (13) Section 2.13.27, *Reimbursement of Audit Costs*; (14) Section 2.13.35, *Repayment Obligation*; and (15) Section 2.13.39, *Use of Name or Intellectual Property*.

2.13.31 Counterparts. The parties agree that this Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.

2.13.32 Delays or Potential Delays of Performance.

Whenever the Contractor encounters any difficulty which is delaying or threatens to delay the timely performance of this Contract, including but not limited to potential labor disputes, the Contractor shall immediately give notice thereof in writing to the Agency with all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Agency or the State of any rights or remedies to which either is entitled by law or pursuant to provisions of this Contract.

Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay.

Furthermore, the Contractor will not be excused from failure to perform that is due to a Force Majeure unless and until the Contractor provides notice pursuant to this provision.

2.13.33 Delays or Impossibility of Performance Based on a Force Majeure. Neither party shall be in default under the Contract if performance is prevented, delayed, or made impossible to the extent that such prevention, delay, or impossibility is caused by a Force Majeure. If a delay results from a subcontractor's conduct, negligence or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract unless the subcontractor or supplier is prevented from timely performance by a Force Majeure as defined in this Contract.

If a Force Majeure delays or prevents the Contractor's performance, the Contractor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Agency.

The party seeking to exercise this provision and not perform or delay performance pursuant to a Force Majeure shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which performance obligations are scheduled to be met will be extended only for a period of time equal to the time lost due to any delay so caused.

2.13.34 Right to Address the Board of Directors or Other Managing Entity. The Agency reserves the right to address the Contractor's board of directors or

other managing entity of the Contractor regarding performance, expenditures, and any other issue the Agency deems appropriate.

2.13.35 Repayment Obligation. In the event that any State and/or federal funds are deferred and/or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, the Contractor shall be liable to the Agency for the full amount of any claim disallowed and for all related penalties incurred. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

2.13.36 Reporting Requirements. If this Contract permits other State agencies and political subdivisions to make purchases off of the Contract, the Contractor shall keep a record of the purchases made pursuant to the Contract and shall submit a report to the Agency on a quarterly basis. The report shall identify all of the State agencies and political subdivisions making purchases off of this Contract and the quantities purchased pursuant to the Contract during the reporting period.

2.13.37 Immunity from Liability. Every person who is a party to the Contract is hereby notified and agrees that the State, the Agency, and all of their employees, agents, successors, and assigns are immune from liability and suit for or from the Contractor's and/or subcontractors' activities involving third parties and arising from the Contract.

2.13.38 Public Records. The laws of the State require procurement and contract records to be made public unless otherwise provided by law.

2.13.39 Use of Name or Intellectual Property. The Contractor agrees it will not use the Agency and/or State's name or any of their intellectual property, including but not limited to, any State, state agency, board or commission trademarks or logos in any manner, including commercial advertising or as a business reference, without the expressed prior written consent of the Agency and/or the State.

2.13.40 Taxes. The State is exempt from Federal excise taxes, and no payment will be made for any taxes levied on the Contractor's employees' wages. The State is exempt from State and local sales and use taxes on the Deliverables.

2.13.41 No Minimums Guaranteed. The Contract does not guarantee any minimum level of purchases or any minimum amount of compensation.

2.14 Contract Certifications. The Contractor will fully comply with obligations herein. If any

conditions within these certifications change, the Contractor will provide written notice to the Agency within twenty-four (24) hours from the date of discovery.

2.14.1 Certification of Compliance with Pro-Children Act of 1994. The Contractor must comply with Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the Deliverables are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities (other than clinics) where Women, Infants, and Children (WIC) coupons are redeemed.

The Contractor further agrees that the above language will be included in any subawards that contain provisions for children's services and that all subgrantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000.00 per day.

2.14.2 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

By signing this Contract, the Contractor is providing the certification set out below:

2.14.2.1 The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2.14.2.2 The Contractor shall provide immediate written notice to the Agency if at any time the Contractor learns that its certification was erroneous

when submitted or had become erroneous by reason of changed circumstances.

2.14.2.3 The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Contact the Agency for assistance in obtaining a copy of those regulations.

2.14.2.4 The Contractor agrees by signing this Contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.

2.14.2.5 The Contractor further agrees by signing this Contract that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

2.14.2.6 A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

2.14.2.7 Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

2.14.2.8 Except for transactions authorized under Section 2.14.2.4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is
