**What is the intended benefit of the rule?**

To establish issuance standards for white flashing light use, including allowing local emergency medical service providers to issue certificates of authorization, and to establish certificate of authorization revocation procedures.

**Is the benefit being achieved? Please provide evidence.**

Yes. There are an unknown number of white light authorizations in the state of Iowa. Authorizations are checked during the inspection process for EMS service programs. There are approximately 250-300 service inspections per year.

**What are the costs incurred by the public to comply with the rule?**

There are no costs incurred by the public.

**What are the costs to the agency or any other agency to implement/enforce the rule?**

Personnel and other administrative costs.

**Do the costs justify the benefits achieved? Please explain.**

Yes. There is no cost to the EMS service program to apply for white light authorizations.

**Are there less restrictive alternatives to accomplish the benefit?  YES  NO**

**If YES, please list alternative(s) and provide analysis of less restrictive alternatives from other states, if applicable. If NO, please explain.**
