What is the intended benefit of the rule?

To improve stroke care in Iowa by promoting consistent adherence to the latest scientific treatment guidelines.

Is the benefit being achieved? Please provide evidence.

Yes. There is no monitoring of this registry through Iowa HHS. There are no state appropriations for stroke program support. Iowa HHS supports the stroke registry purchase through the public health block grant. The University of Iowa and the American Heart Association review stroke reporting in the state.

What are the costs incurred by the public to comply with the rule?

Stroke centers may incur personnel costs related to data entry.

What are the costs to the agency or any other agency to implement/enforce the rule?

Personnel and other administrative costs.

Do the costs justify the benefits achieved? Please explain.

Yes. There is no state appropriation support.

Are there less restrictive alternatives to accomplish the benefit? YES NO

If YES, please list alternative(s) and provide analysis of less restrictive alternatives from other states, if applicable. If NO, please explain.

Reporting is required by Iowa Code section 135.191 and stroke centers need to know what they are required to report.
