

IOWA WEATHERIZATION PROGRAM NOTICE 24-02

TO: Weatherization Coordinators, Data Specialists  
FROM: Christine Taylor, Weatherization Program Manager  
DATE: April 29, 2024  
RE: DOE-BIL22 and DOE-24 Average Cost Per Unit (ACPU)  
Effective: April 1, 2024

For DOE Program Year 2024 (April 1, 2024 through March 31, 2025), the Average Cost Per Unit (ACPU) is \$8,497 and will apply to both the DOE-BIL22 contracts and the DOE-24 contracts (when released).

For WAMS reporting purposes, the PY24 Health and Safety limit (Completed Home Maximum HS Cost) is \$2,804 and will apply to both the DOE-BIL22 contracts and the DOE-24 contracts (when released).

You may begin using these new limits for homes reported as complete on or after April 1, 2024.
