Pursuant to the provisions of Iowa Code Sections 17A.18, 147A.7, and Iowa Administrative Code (I.A.C.) 641—131.7, the Iowa Department of Public Health is proposing to issue a **Citation and Warning** to the individual identified above.

The department may cite and warn an emergency medical care provider when it finds that the certificate holder has committed any of the following acts or offenses:

Having certification to practice emergency medical care suspended or revoked, or having other disciplinary action taken by a licensing or certifying authority of this state or another state, territory or country. A copy of the record or order of suspension, revocation or disciplinary action is conclusive or prima facie evidence.
IAC 641—131.7(2)u

The following incidents resulted in issuance of this proposed action:

On November 4, 2009, the Iowa Board of Nursing issued a stipulation and order against your nursing license. The statement of charges related to the case indicate you I) committed an act or omission which may adversely affect the physical or psychosocial welfare of the patient or client and II) failed to assess, accurately document, or report the status of a patient or client.

You are hereby **CITED** for having your nursing license disciplined. You are **WARNED** that being disciplined by this or another licensing authority in the future may result in further disciplinary action, including suspension or revocation of your EMS certification.

You have the right to request a hearing concerning this notice of disciplinary action. A request for a hearing must be submitted in writing to the Department by certified mail, return receipt requested, within twenty (20) days of receipt of this Notice of Proposed Action. The written request must be submitted to the Iowa Department of Public Health, Bureau of Emergency Medical Services, Lucas State Office Building, 321 E 12th St, Des Moines, Iowa 50319. If the request is made within the twenty (20) day time limit, the proposed action is suspended pending the outcome of the hearing. Prior to or at the hearing, the Department may rescind the notice upon satisfaction that the reason for the action has been or will be removed.

If no request for a hearing is received within the twenty (20) day time period, the disciplinary action proposed herein shall become effective and shall be final agency action.
