Purpose and Summary

The purpose of the Child Fatality Review Committee is to determine whether the Department and others involved with the case of child abuse responded appropriately.

The State Mortality Review Committee (2024 Iowa Acts, Senate File 2385) prompted the centralization of death review teams. Chapter 92 is being rescinded and centralized with 641—Chapters 5, 90 and 91. Procurement and review will continue to occur as part of this centralized chapter and as a subcommittee of the State Mortality Review Committee.
