PUBLIC HEALTH DEPARTMENT[641]

Purpose and Summary

This chapter was intended to establish an emergency information system for pesticides that Iowa health care providers are able to access 24 hours per day, 7 days per week, in order to gain access to emergency treatment information for the emergency care of a real-time human exposure to a pesticide.

Analysis of Impact

1. Persons affected by the proposed rulemaking:

- Classes of persons that will bear the costs of the proposed rulemaking:

There are no costs associated with the rulemaking.

- Classes of persons that will benefit from the proposed rulemaking:

Iowans in general will benefit.

2. Impact of the proposed rulemaking, economic or otherwise, including the nature and amount of all the different kinds of costs that would be incurred:

- Quantitative description of impact:

This rulemaking rescinds a chapter from the Iowa Administrative Code.

- Qualitative description of impact:

None.

3. Costs to the State:

- Implementation and enforcement costs borne by the agency or any other agency:

None.

- Anticipated effect on state revenues:

None.

PUBLIC HEALTH DEPARTMENT[641]

4. Comparison of the costs and benefits of the proposed rulemaking to the costs and benefits of inaction:

Leaving the chapter in place is not authorized by the Iowa Code and adds to the volume of administrative rules. Rescinding it eliminates unnecessary regulation.

5. Determination whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rulemaking:

No. Rescinding the rule is the proper course of action.

6. Alternative methods considered by the agency:

- Description of any alternative methods that were seriously considered by the agency:

None.

- Reasons why alternative methods were rejected in favor of the proposed rulemaking:

Not applicable.

Small Business Impact

If the rulemaking will have a substantial impact on small business, include a discussion of whether it would be feasible and practicable to do any of the following to reduce the impact of the rulemaking on small business:

- Establish less stringent compliance or reporting requirements in the rulemaking for small business.

- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.

- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.

- Establish performance standards to replace design or operational standards in the rulemaking for small business.

PUBLIC HEALTH DEPARTMENT[641]

- Exempt small business from any or all requirements of the rulemaking.

If legal and feasible, how does the rulemaking use a method discussed above to reduce the substantial impact on small business?

Not applicable.
