#### *Purpose and Summary*

Currently, this chapter describes the goals, review process, eligibility criteria and appeals process for the Child Protection Center Grant Program. However, this chapter is duplicative of the request for proposal process and appeals procedures set forth in 441—Chapter 7. Authority is not explicit in the Iowa Code to allow for rulemaking, and chapter rescission is appropriate.

- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.
- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.
- Establish performance standards to replace design or operational standards in the rulemaking for small business.
