

Healthy Iowans

2024 and 2025 Overview

Katie Damon

March 13, 2025

Healthy Iowans Partnership

Iowa HHS

- Supports partnership by encouraging engagement in planning & implementing the SHA & SHIP
- Supports the Healthy Iowans Team's coordination and facilitation efforts
- Disseminates communications about Healthy Iowans

Iowa HHS Healthy Iowans Team

- Coordinates and facilitates the Partnership
- Oversees Iowa's SHA & SHIP process
- Reports on SHA & SHIP activities
- Provides training, communications, tools and workshops about the SHA & SHIP

Healthy Iowans Partnership Steering Committee

- Provides high level decision making and overall direction of the SHA & SHIP
- Assists the Healthy Iowans Team in representing Healthy Iowans in the community
- Supports workgroup strategies

Healthy Iowans Partnership Workgroups

- Develop and act on objectives, strategies and timelines
- Evaluate assets and resources for addressing priorities
- Make recommendations to Steering Committee on priority goals

Community Partners

- Includes anyone doing health improvement work in Iowa
- Link with strategies and offer feedback
- Partners in action - important additional strategies to address Iowa's top health issues
- Provide community data and information to inform the SHA & SHIP

2024 Overview
