## NOTICE REGARDING FY26 Bid for Professional Development Training: Integrating the Science of Hope into Youth Serving Programs

The Iowa Department of Health and Human Services is officially canceling and rescinding FY26 Bid for Professional Development Training: Integrating the Science of Hope into Youth Serving Programs.

The Agency plans to take a different approach to provide the services requested in this Informal Competitive Solicitation. Should we re-issue this Informal competitive solicitation in the future, interested parties will need to submit a bid proposal under the new Informal Competitive Solicitation process to be considered for the contract award. A notice will be posted on the Iowa Health and Human Services website at <https://hhs.iowa.gov/about/funding-opportunities/notice-intent-award> as a formal notice.

Thank you for your interest in this competitive procurement process.

Sincerely,

John McMullen

Issuing Officer
