

TRIVIA BINGO

IOWA STUDENTS FOR TOBACCO EDUCATION & PREVENTION

Get involved

This isn't your traditional bingo game! Educate friends and peers about the risks of using tobacco or nicotine, including vaping, through an interactive trivia bingo game!

Directions

Before the game begins, tell your friends and peers about ISTEP. Yes, ISTEP focuses on ending tobacco and nicotine use among young Iowans, but it's much more than that. ISTEP gives youth a platform to make friends, make a difference and become leaders.

How to play

- Each person gets one bingo sheet and a handful of bingo chips.
- A chapter member will read a trivia question from the stack of calling cards.
- Find the answer on your bingo sheet and place a chip on that square.
- Don't forget to put a chip on your FREE space in the middle!
- To win, you need five chips in a row — up, down, across or diagonal.
- If you get a bingo, shout "ISTEP!"
- Winners get a prize!

Materials

Bingo sheets, calling cards, bingo chips and prizes.

The kit has enough materials for 75 people to play at one time.
