Supported Employment

**Attention Iowa Medicaid
recipients of Home and
Community Based Services
(HCBS) through the
Intellectual Disability (ID)
or Brain Injury (BI) Waiver,
or Habilitation program!**

***Unlock Your Path to Employment
While Keeping Your Benefits!***

*Are you receiving SSI or SSDI and
wondering if you can return to work?*

We have great news for you!

*You CAN go back to work and still
keep your essential benefits.*

How?

By working with your Case Manager to access
Benefits Planning Services!

Benefits Planning Can Help You:

- **Understand Your Options:** Learn how employment can impact your SSI or SSDI and what options are available to keep your benefits while earning an income. Eventually, you can work your way off benefits if you choose, but not before you're ready!
- **Maximize Your Earnings:** Get guidance on maximizing your income while keeping necessary supports, including your cash benefits and health insurance.
- **Plan for the Future:** Make a personalized plan to gradually increase your work hours or income without losing the benefits you rely on.

Case Managers Will Connect You with Experts

- You can get connected to someone who will help you navigate the complexities of SSI, SSDI, and Medicaid while exploring employment opportunities.
- They can connect you with resources and services tailored to your unique situation.
- They will support you every step of the way, ensuring you are confident and informed.

Take the First Step Toward

Financial Independence! Contact your Case Manager today to learn more about benefits planning and how you can return to work while keeping the security of your SSI or SSDI.

Questions?

Reach out to your Case Manager for more information on how to get started.

Let's work together to help you reach your employment goals while keeping the benefits you need!
