

The Woodward Resource Center (WRC) Center of Excellence (CoE) is a team of clinical experts within the Iowa Department of Health and Human Services (HHS). WRC CoE provides support to individuals receiving Medicaid services that may need additional resources and/or training. WRC CoE supports families, provider agencies and healthcare professionals across Iowa in areas of physical therapy, nursing, occupational therapy, speech language pathology, behavioral health and/or training.

Center of Excellence Outreach Team

The WRC CoE Team has over 200 years of combined experience supporting individuals with Intellectual and Developmental Disability (I/DD) and complex health and behavioral healthcare needs.

Team Members

- Speech-Language Pathologist
- Board-Certified Behavior Analyst (BCBA)
- Doctoral Level BCBA (BCBA-D)
- Physical Therapist
- Training Specialists
- Registered Nurse
- Occupational Therapist

Supports

WRC CoE offers support through assessment, consultation, record review, plan development, training and more. Support may be provided by an individual clinician or a team of clinicians. Each referral is grounded in commitment to the individual, collaboration, education, prevention and sustainability.
