What is the intended benefit of the rule?

The purpose of the domestic abuse death review team is to aid in the reduction of the incidence of domestic abuse deaths by accurately identifying the cause and manner of deaths occurring from domestic violence and by making recommendations for changes in policy and practice to improve community interventions for preventing domestic abuse deaths.

Is the benefit being achieved? Please provide evidence.

The state mortality review committee (SF 2385) prompted the centralization of death review teams. Chapter 641-91 is being repealed and centralized with Chapters 641-5, 641-90 and 641-92. Procurement and review will continue to occur as part of this centralized chapter, and as a subcommittee of the state mortality review committee.
