### What is the intended benefit of the rule?

The purpose of the child fatality review committee is to determine whether the department of human services and others involved with the case of child abuse responded appropriately.

### Is the benefit being achieved? Please provide evidence.

The state mortality review committee (SF 2385) prompted the centralization of death review teams. Chapter 641-92 is being repealed and centralized with Chapters 641-5, 641-90 and 641-91. Procurement and review will continue to occur as part of this centralized chapter, and as a subcommittee of the state mortality review committee.

### What are the costs incurred by the public to comply with the rule?

NA

### What are the costs to the agency or any other agency to implement/enforce the rule?

HHS incurs personnel costs for team members to execute the program.

### Do the costs justify the benefits achieved? Please explain.

NA

Are there less restrictive alternatives to accomplish the benefit? ☐ YES ☒ NO
