

High Five: September

5 Ways You can Show Appreciation to Long-Term Care Facility Staff

1. **Write a personal note.**
2. **Host a facility-wide luncheon or gathering.**
3. **Deliver food for the staff to enjoy (i.e. cookies or donuts and coffee, pizza and soda, meat and cheese tray, fruit and veggie platter).** Inquire about facility policies regarding gifts and what the facility staff are able to accept or not. Communicate with facility staff to find out how much is needed and when to deliver so all shifts are included.
4. **Leave a review in the facility in the comments box, online or with supervisory staff.**
5. **Volunteer your time at the facility doing something you enjoy and/or make a donation in honor of staff.**
