

Notice of Intent to Release

To all interested parties:

The Iowa Department of Health and Human Services (the Agency) is providing this notice of intent to release one or more requests for proposal (RFP) on or around February 2026; to procure Combat Cancer Health Hubs Contract(s). This procurement is for establishing the framework for hub and spoke networks of care for the delivery of cancer care in Iowa. The Agency anticipates that this work may include forming rural provider strategic partnerships, advancing telehealth, establishing referral networks and agreements (particularly among non-affiliated provider organizations), provider recruitment, equipment purchases and associated minor renovations, and other funds needed to establish or advance the provision of cancer care at spoke sites providing routine cancer care and hub sites providing specialty care and advanced cancer care. Please see the Agency's Rural Health Transformation Grant website ([Rural Health Transformation \(RHT\) | Health & Human Services](#)) for additional information about the Healthy Hometowns initiative.

The RFP for the Combat Cancer Health Hubs, RFP # PHTHOCC26756, that the Agency anticipates releasing on or around February 2026, will be posted to [IowaGrants](#).

The following is a tentative timeline for the RFP; these dates are estimates and are subject to change:

March 2026: Question and answer period after release of the RFP

Late March 2026: Deadline for bid proposals.

Mid-May 2026: HHS to award contract(s)

June 2026: Contract begins.

Sincerely,

Julie Jones
Issuing Officer
