

## MFP Funded Behavior Support Services

### When to Use MFP Funded Behavior Support Services

All behavioral support services are intended to be preventative. Services should be engaged well before a person reaches crisis.

Program	Scope	Attributes of Referrals	Age of Referrals	Areas Served	Modality	BSP Support	Point of Contact
Center of Excellence (CoE)	A multi-disciplinary team focused on enhancing community capacity to serve individuals who are Medicaid eligible through training and consultation with provider agencies, families, and fellow clinicians.
