HOME Phase I Service Crosswalk

The chart below reflects the HOME project Phase I services. In Phase I Iowa HHS will replace the Children's Mental Health (CMH), Health and Disability (HD), AIDS/HIV, and Physical Disability (PD) waivers with the Adults with Disabilities (AD) and Children and Youth (CY) waivers.

The AD and CY waivers will:
· Merge Environmental Modifications into Home and Vehicle Modifications on the CY and AD waivers.
· Provide Peer Mentoring and Community Transition Services through the CY and AD waivers.
· Provider Prevocational and Supported Employment services through the CY and AD waivers.
· Remove waiver services that are duplicative of state plan services or the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefit for children.

Private Duty Nursing (PDN) And Personal Care (PC) Services Early And Periodic Screening, Diagnosis, And Treatment (EPSDT) Care For Kids Program. The PDN and PC services under the EPSDT Care for Kids program cover:
o Children through the age of 21; and
o Whose medical needs exceed the maximum units covered through the Skilled Nursing and Home Health Aide (HHA) services.

* In-home Family Therapy, Attendant Care (Skilled and Unskilled), Nursing, HHA, and Interim Medical Monitoring and Treatment (IMMT) will not be offered on the CY waiver to avoid duplication with EPSDT.
* Attendant Care (Skilled and Unskilled), Nursing, Home Health Aide, and Interim Medical Monitoring and Treatment will be offered on the AD waiver because EPSDT does not apply to adults. In-Home Family Therapy is intended for children and will not be offered on the CY or AD waiver to avoid duplication with state plan services.
* Counseling and the counseling component of Family Counseling and Training will not be offered on the HOME waivers to avoid duplication with state plan mental health services. Family Training will be offered to adults.

Services that are available for self-direction under the Consumer Choices Option (**CCO**) are noted on the chart at the end of this document.
