Suspension under this section shall be in effect until sufficient funding is reallocated to the Agency, as determined by the Agency in its sole discretion, or until the Agency determines to terminate the Contract.

**2.5.4 Reduction in Funds.** If a reduction in funds to the Agency necessitates a corresponding reduction in the funds allocated to this Contract, as determined by the Agency in its sole discretion, the Agency shall have the right to amend this Contract to reduce the funding and proportionately adjust the scope of work, deliverables, and performance obligations hereunder. If the parties are unable to agree on an appropriate amendment within a reasonable period of time, the Agency may terminate or suspend this Contract without penalty and without notice pursuant to Section 2.5.3.

Payment will be made only upon submission of Invoices and proper proof of the Contractor's claim. Notwithstanding the foregoing, this section in no way limits the rights or remedies available to the Agency and shall not be construed to require the Agency to pay any compensation or other amounts hereunder in the event of the Contractor's breach of this Contract or any amounts withheld by the Agency in accordance with the terms of this Contract. The Agency shall not be liable, under any circumstances, for any of the following:

The warranties expressed in this Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. With the exception of Section 2.10.3, the provisions of this section apply during the Warranty Period as defined in the Special Terms.

### **2.10.2 The Contractor represents and warrants that:**

**2.10.2.1** All Deliverables shall be wholly original with and prepared solely by the Contractor; or it owns, possesses, holds, and has received or secured all rights, permits, permissions, licenses, and authority necessary to provide the Deliverables to the Agency hereunder and to assign, grant and convey the rights, benefits, licenses, and other rights assigned, granted, or conveyed to the Agency hereunder or under any license agreement related hereto without violating any rights of any third party;

If such a claim or cause of action arises or is likely to arise, then the Contractor shall, at the Agency's request and at the Contractor's sole expense:

- Procure for the Agency the right or license to continue to use the Deliverable at issue;
- Replace such Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation;
- Modify or replace the affected portion of the Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation; or

In addition, the Contractor agrees to indemnify, defend, protect, and hold harmless the State and its officers, directors, employees, officials, and agents as provided in the Indemnification Section of this Contract, including for any breach of the representations and warranties made by the Contractor in this section.

The warranty provided in this Section 2.10.3 shall be perpetual, shall not be subject to the contractual Warranty Period, and shall survive termination of this Contract. **2.10.4.1** Be free from material Deficiencies; and

**2.10.4.2** Meet, conform to, and operate in accordance with all Specifications and in accordance with this Contract during the Warranty Period, as defined in the Special Terms. During the Warranty Period the Contractor shall—at its expense—repair, correct, or replace any Deliverable that contains or experiences material Deficiencies or fails to meet, conform to, or operate in accordance with Specifications within five (5) Business Days of receiving notice of such Deficiencies or failures from the Agency or within such other period as the Agency specifies in the notice. In the event the Contractor is unable to repair, correct, or replace such Deliverables to the Agency's satisfaction, the Contractor shall refund the fees or other amounts paid for the Deliverables and for any services related thereto. The foregoing shall not constitute an exclusive remedy under this Contract, and the Agency shall be entitled to pursue any other available contractual, legal, or equitable remedies. The Contractor shall be available at all reasonable times to assist the Agency with questions, problems, and concerns about the Deliverables, to inform the Agency promptly of any known Deficiencies in any Deliverables, repair and correct any Deliverables not performing in accordance with the warranties contained in this Contract—notwithstanding that such Deliverables may have been accepted by the Agency—and provide the Agency with all necessary materials with respect to such repaired or corrected Deliverables.

In the absence of a Specification for the performance of any portion of this Contract, the parties agree that the applicable Specification shall be the generally accepted industry standard. So long as the Agency notifies the Contractor of any services performed in violation of this standard, the Contractor shall re-perform the services at no cost to the Agency, such that the services are rendered in the above-specified manner, or if the Contractor is unable to perform the services as warranted, the Contractor shall reimburse the Agency any fees or compensation paid to the Contractor for the unsatisfactory services.

## **2.11 Acceptance of Deliverables.**

**2.11.1 Acceptance of Written Deliverables.** For the purposes of this section, written Deliverables means documents including, but not limited to project plans, planning documents, reports, or instructional materials (“Written Deliverables”). Although the Agency determines what Written Deliverables are subject to formal Acceptance, this section generally does not apply to routine progress or financial reports. In all cases, any statements included in such Written Deliverables that alter or conflict with any contractual requirements shall in no way be considered as changing the contractual requirements unless and until the parties formally amend the Contract.

**2.11.2 Notice of Acceptance and Future Deficiencies.** The Contractor’s receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable shall not be construed as a waiver of any of the Agency’s rights to enforce the terms of this Contract or require performance in the event the Contractor breaches this Contract or any Deficiency is later discovered with respect to such Deliverable.

## **2.12 Contract Administration.**

**2.12.1 Independent Contractor.** The status of the Contractor shall be that of an independent contractor. The Contractor, its employees, agents, and any subcontractors performing under this Contract are not employees or agents of the State or any agency, division, or department of the State simply by virtue of work performed pursuant to this Contract. Neither the Contractor nor its employees shall be considered employees of the Agency or the State for federal or state tax purposes simply by virtue of work performed pursuant to this Contract. The Agency will not withhold taxes on behalf of the Contractor (unless required by law).

**2.12.2 Incorporation of Documents.** To the extent this Contract arises out of a Solicitation, the parties acknowledge that the Contract consists of these contract terms and conditions as well as the Solicitation and the Bid Proposal. The Solicitation and the Bid Proposal are incorporated into the Contract by reference. If the Contractor proposed exceptions or modifications to the Sample Contract attached to the Solicitation or to the Solicitation itself, these proposed exceptions or modifications shall not be incorporated into this Contract unless expressly set forth herein.

**2.12.3 Intent of References to Bid Documents.** To the extent this Contract arises out of a Solicitation, the references to the parties' obligations, which are contained in this Contract, are intended to supplement or clarify the obligations as stated in the Solicitation

and the Bid Proposal. The failure of the parties to make reference to the terms of the Solicitation or the Bid Proposal in this Contract shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the Solicitation and the Contractor's Bid Proposal. Terms offered in the Bid Proposal, which exceed the requirements of the Solicitation, shall not be construed as creating an inconsistency or conflict with the Solicitation or the Contract. The contractual obligations of the Agency are expressly stated in this document. The Bid Proposal does not create any express or implied obligations of the Agency.

**2.12.4 Compliance with the Law; Nondiscrimination in Employment.** The Contractor, its employees, agents, and subcontractors shall comply with all Applicable Law. All such Applicable Law is incorporated into this Contract as of the effective date of the Applicable Law. **2.12.4.4** Notwithstanding anything in this Contract to the contrary, the Contractor's failure to fulfill any requirement set forth in this section shall be regarded as a material breach of this Contract and the State may cancel, terminate, or suspend in whole or in part this Contract. The State may further declare the Contractor ineligible for future State contracts in accordance with authorized procedures or the Contractor may be subject to other sanctions as provided by law or rule.

**2.12.5 Procurement.** The Contractor shall use procurement procedures that comply with all applicable federal, state, and local laws and regulations.

**2.12.7 Amendments.** With the exception of the Contract end date, which may be extended in the Agency's sole discretion, this Contract may only be amended by mutual written consent of the parties. Amendments shall be executed on a form approved by the Agency that expressly states the intent of the parties to amend this Contract. This Contract shall not be amended in any way by use of terms and conditions in an Invoice or other ancillary transactional document. To the extent that language in a transactional document conflicts with the terms of this Contract, the terms of this Contract shall control.

**2.12.8 No Third Party Beneficiaries.** There are no third party beneficiaries to this Contract. This Contract is intended only to benefit the State and the Contractor.

For purposes of this Contract, third parties who perform any of the Contractor's obligations pursuant to this Contract are considered subcontractors. The Contractor shall notify the Agency in writing of all subcontracts relating to Deliverables to be provided under this Contract prior to the time the subcontract(s) become effective. The Agency reserves the right to review and approve all subcontracts. The Contractor may enter into these contracts to complete the project provided that the Contractor remains responsible for all Deliverables provided under this Contract. All restrictions, obligations, and responsibilities of the Contractor under this Contract shall also apply to the subcontractors and the Contractor shall include in all of its subcontracts a clause that so states. The Agency shall have the right to request the removal of a subcontractor from the Contract for good cause.

**2.12.10 Choice of Law and Forum.** The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this Contract without regard to the conflict of law provisions of Iowa law. All litigation commenced in connection with this Contract shall be brought and maintained solely in Polk County District Court for the State of Iowa, Des Moines, Iowa, or in the United States District Court for the Southern District of Iowa, Central Division, Des Moines, Iowa, wherever jurisdiction is appropriate. This provision shall not be construed as waiving any immunity to suit or liability including without limitation sovereign immunity in State or Federal court, which may be available to the Agency or the State of Iowa.

**2.12.11 Assignment and Delegation.** The Contractor may not assign, transfer, or convey in whole or in part this Contract without the prior written consent of the Agency. The Contractor shall submit a written agreement with a proposed assignee or designee, as directed by the Agency. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment. The Contractor may not delegate any of its obligations or duties under this Contract without the prior written consent of the Agency. The Contractor may not assign, pledge as collateral, grant a

security interest in, create a lien against, or otherwise encumber any payments that may or will be made to the Contractor under this Contract.

**2.12.14 Headings or Captions.** The paragraph headings or captions used in this Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.

**2.12.15 Not a Joint Venture.** Nothing in this Contract shall be construed as creating or constituting the relationship of a partnership, joint venture, (or other association of any kind or agent and principal relationship) between the parties hereto. No party, unless otherwise specifically provided for herein, has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to this Contract.

**2.12.16 Joint and Several Liability.** If the Contractor is a joint entity, consisting of more than one individual, partnership, corporation, or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this Contract, for any default of activities and obligations, and for any fiscal liabilities.

**2.12.18 Waiver.** Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim

If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the seven (7) year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular seven (7) year period, whichever is later. The Contractor shall permit the Agency, the Auditor of the State of Iowa or any other authorized representative of the State and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records, or other records of the Contractor relating to orders, Invoices or payments, or any other Documentation or materials pertaining to this Contract, wherever such records may be located. The Contractor shall reimburse the Agency for any costs the Agency pays to the Auditor for such review or audit.

**2.12.27 Staff Qualifications and Background Investigation.** The Contractor shall be responsible for assuring that all persons, whether they are employees, agents, subcontractors, or anyone acting for or on behalf of the Contractor, are properly licensed, certified, or accredited as required under applicable law and the Iowa Administrative Code. The Contractor shall provide standards for service providers who are not otherwise licensed, certified, or accredited under applicable law or the Iowa Administrative Code.

The Agency reserves the right to conduct and/or request the disclosure of criminal history and other background investigation of the Contractor, its officers, directors, shareholders, partners, managerial, and supervisory personnel and the Contractor's staff, agents, or subcontractors retained by the Contractor for the performance of Contract services. These background investigations may include, but may not be limited to: Child Abuse Registry, Dependent Adult Abuse Registry, Sexual Offender Registry Checks, and DCI/FBI Criminal History Record checks for specific categories of persons who have direct contact with the Agency's clients or provide services for the Agency's clients. By entering into this Contract, the Contractor explicitly authorizes the Agency to conduct background investigations. The Contractor shall fully cooperate with the Agency in obtaining authorization(s) on Agency forms and any required waivers or releases in a timely manner. Based on the results of these background investigations, the Agency may determine, in its sole discretion, to either not enter into a Contract, not extend a Contract, or to terminate or suspend the Contract in accordance with the Contract's termination and suspension provisions.

**2.12.28 Solicitation.** The Contractor represents and warrants that no person or selling agency has been employed or retained to solicit and secure this Contract upon an agreement or understanding for commission, percentage, brokerage, or contingency

excepting bona fide employees or selling agents maintained for the purpose of securing business.

**2.12.29 Obligations Beyond Contract Term.** All obligations of the Agency and the Contractor incurred or existing under this Contract as of the date of expiration, termination, or suspension will survive the expiration, termination, or suspension of this Contract.

**2.12.30 Counterparts.** The parties agree that this Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.

**2.12.31 Delays or Potential Delays of Performance.** Whenever the Contractor encounters any difficulty which is delaying or threatens to delay the timely performance of this Contract, including but not limited to potential labor disputes, the Contractor shall immediately give notice thereof in writing to the Agency with all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Agency or the State of any rights or remedies to which either is entitled by law or pursuant to provisions of this Contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay. Furthermore, the Contractor will not be excused from failure to perform that is due to a force majeure unless and until the Contractor provides notice pursuant to this provision and the Agency agrees, in writing, to the force majeure.

**2.12.32 Delays or Impossibility of Performance Based on a Force Majeure.** Neither party shall be in default under the Contract if performance is prevented, delayed, or made impossible to the extent that such prevention, delay, or impossibility is caused by a force majeure. The term "force majeure" as used in this Contract includes an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the parties. Force majeure does not include: financial difficulties of the Contractor or any parent, subsidiary, affiliated or associated company of the Contractor; claims or court orders that restrict the Contractor's ability to deliver the Deliverables contemplated by this Contract; strikes; labor unrest; labor shortages; or supply chain disruptions.

If a delay results from a subcontractor's conduct, negligence or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract unless the subcontractor or supplier is prevented from timely performance by a force majeure as defined in this Contract.

If a force majeure delays or prevents the Contractor's performance, the Contractor shall

immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Agency.

The party seeking to exercise this provision and not perform or delay performance pursuant to a force majeure shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events.
