|                                | <p>Premiums will be charged for recipients with gross income in excess of 150% of the federal poverty level and will be adjusted annually based on changes in the average state employee health insurance premium. The premium is determined according to a sliding scale based on income, with the maximum premium, based on the average state employee's health insurance premium, charged only when not more than 5% of gross income.</p> <p>Monthly premium amounts established August 1, 2026; begin at \$44 with gross income greater than 150% of the federal poverty level and increase to a maximum of \$931 with gross income greater than 1480% of the federal poverty level. No other cost-sharing charges apply to this group, except for otherwise applicable Iowa Medicaid co-payments, subject to the aggregate limits described in 42 C.F.R. §447.56(f).</p> <p>In determining the monthly premium amount, the gross income figure used in calculation of the monthly premium will not include the cost-of-living adjustment for the year until the federal poverty level for the year goes into effect.</p> |
