

Foster Parent In-Service Training Plan

Foster parent(s):
RRTS staff name:
First year of licensure review date:

Purpose: The purpose of this ongoing training plan is to support licensed foster families in continuously strengthening their caregiving skills, maintaining licensing compliance, and responding effectively to the evolving needs of children and youth in care. This plan also provides a clear and consistent method for documenting individualized training recommendations made by professionals to support family capacity, placement stability, and child well-being.

Examples of Training Topics:

- Reunification Maintaining
- Sibling Connections
- Cultural Awareness
- Attachment
- Food or Eating Concerns
- Verbal De-escalation
- Sexual Trauma
- Sensory Integration
- Lying and Stealing
- Grief and Loss
- Crisis Management
- Adoption Process
- Elopement
- Preparation for Independent Living
- Fostering Sexual Offenders
