Iowa HHS Naloxone Distribution Program

Your organization can help prevent overdoses by giving out naloxone in your community!

1

Fill out an online application.

Most Iowa organizations are eligible, including law enforcement, pharmacies, healthcare providers and more.

2

Place an online order.

Once your application is approved, you will receive a link to order naloxone, shipped directly to your organization.

3

Distribute free naloxone in your community.

Find more resources at NaloxoneIowa.org.

4

Track and report monthly impact.

Reporting is simple and helps ensure the program continues!

Monthly Report:

- # of naloxone trainings provided
- # of individuals trained
- # of kits distributed
- # of naloxone administrations / reversals (*if available*)
