

Molina MAC Meeting

Quality Improvement & Health Outcomes Committee

Season of Support

Target Partners

- Federally Qualified Health Centers (FQHC)
- Warming shelters, overnight shelters, and hot food sites
- Food Pantry
- Community Action Agencies, WIC Clinics, and other family service organizations

Event Objectives

- Each region will partner for at least three events to support the initiative in counties with high Medicaid numbers
- Events will have a specific purpose and will target a particular audience
- Marketing will take place on social media, word of mouth via CBO's and via flyer distribution.

Activities

- Pop up hot meal site
- Coats and winter items for children
- Coats and winter items for adults
- Hygiene kits for unhoused individuals
- Winter safety supplies for unhoused individuals
- Household items and cleaning supplies for families and housed individuals
- Food bags and meal supplies
- Health and chronic illness education

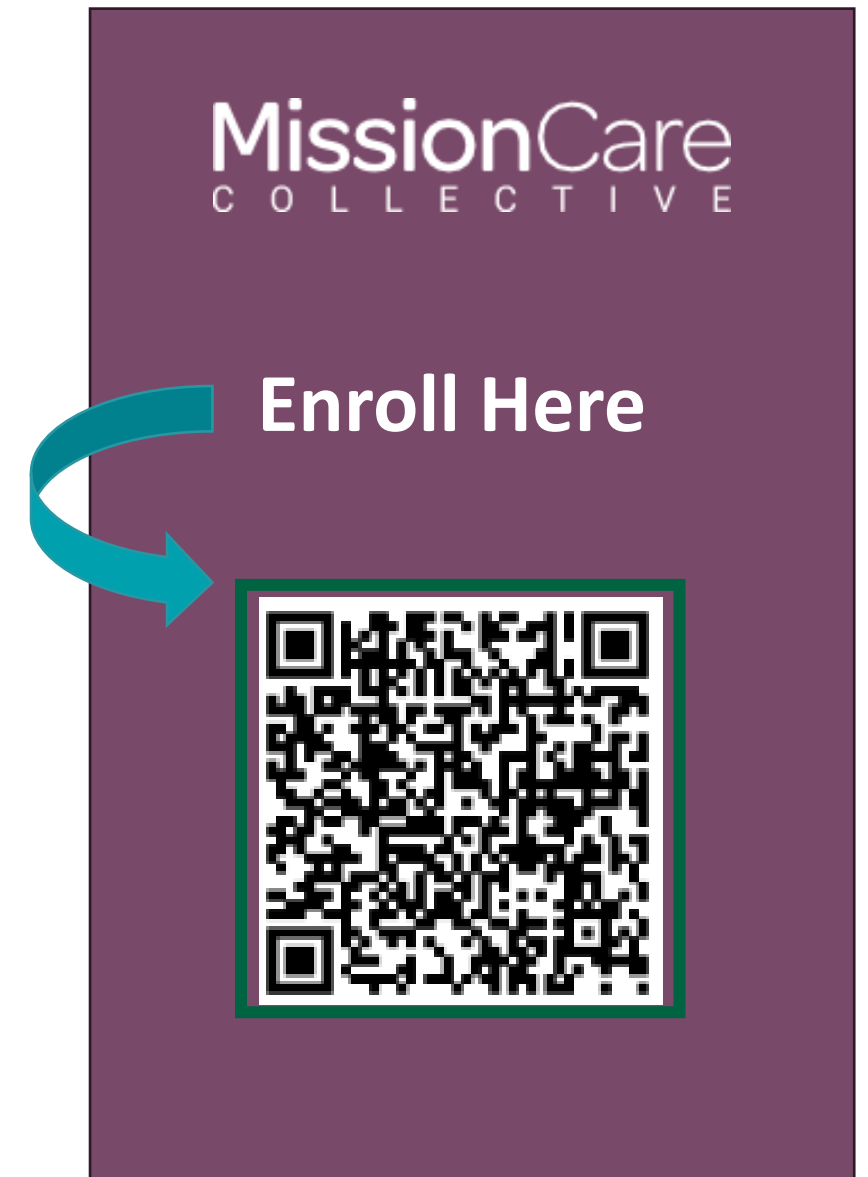

Workforce Support

Free Home Health Aide Training

Molina is sponsoring 15,000 Home Health Aide (HHA) scholarships through my CNA jobs to help people gain new skills or explore a career in caregiving.

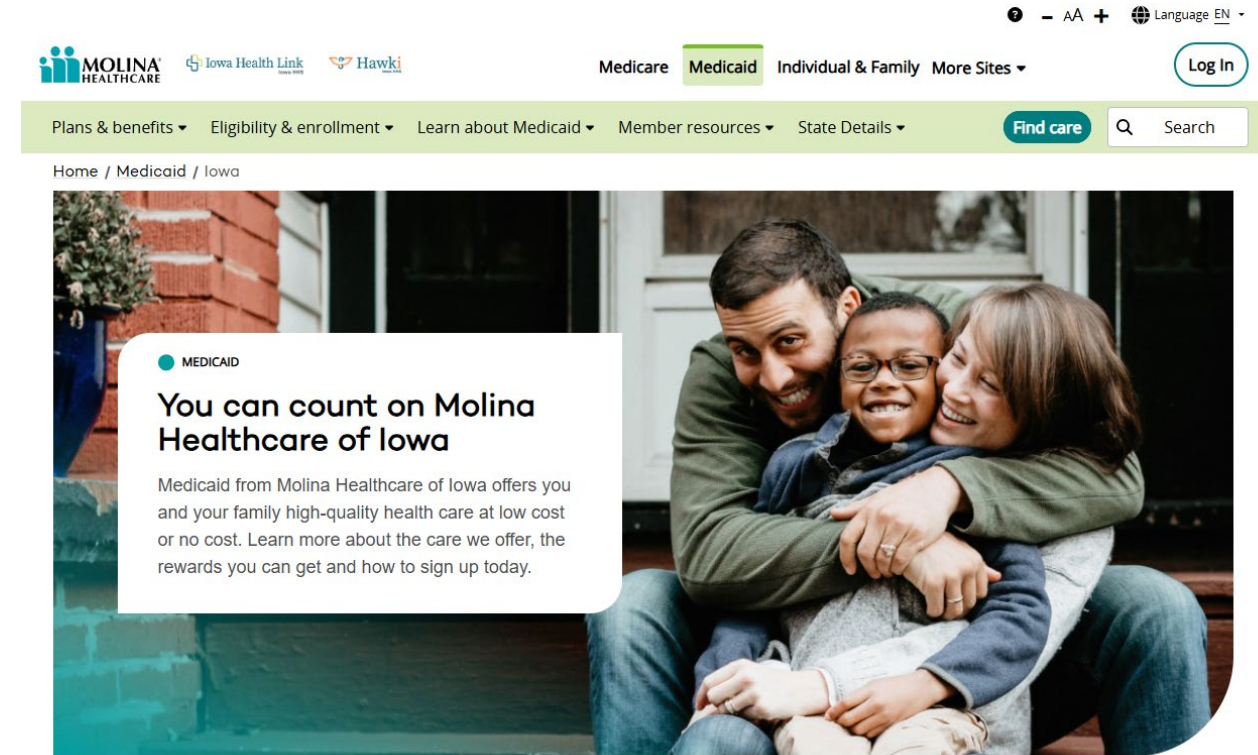

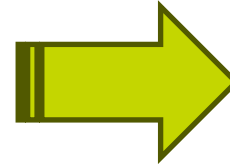

- 59 hours of online training Fully aligned to CMS Conditions for Participation (42 CFR § 484.80) to meet the Federal HHA training requirements.
- Printed certificate upon completion to bring to a home health agency to complete any further state or agency-required training.
- 100% tuition covered

This program is intended to help bring more people into homecare.
