1st Five Provider Partnership

IOWA | Health and Human Services

Partnering for Brighter Beginnings

1st Five partners with primary care providers to support children and their families from **birth to age five**. Learn what partnering with 1st Five means for your practice and how we can work together to make a difference.

Providers & Clinic Roles

Spot Needs Early: Use surveillance and screening tools during well-child exams to identify concerns.

Share Information: Inform families about the availability of 1st Five for support.

Make a Referral: Utilize the 1st Five referral form when issues are detected.

Stay Connected: Collaborate with 1st Five through scheduled provider meetings to strengthen the referral process with shared feedback.

Use Best Practices: Adhere to EPSDT/AAP guidelines for administering standardized screening tools at well-child visits.

Partnership Matters

Your role as a trusted provider and our commitment at 1st Five creates a powerful partnership that ensures every child gets the support they need during the most critical years of development. Let's build healthier futures - one referral at a time.

1st Five Roles

Easy Referrals: Simple referral process to connect families with local resources.

Resource Connections: Direct access to community services, with updates on referral outcomes.

Completely Free: No billing or contracts; accessible and free to all Iowa families.

Personalized Support: Contact families and connect them with local resources and early intervention.

Clinic Support: Training and tailored support for clinics on developmental surveillance and screening tools.
