### **PA 18-0307 Stipulated Order**

Approval of the Stipulated Order in case 18-0307 was added as an agenda item less than twenty-four hours prior to the meeting. Good cause exists for less than twenty-four hours' notice of the agenda item because the licensee provided the executed agreement for Board approval less than twenty-four hours before the meeting, and it is in the public interest for the Stipulated Order to be approved without delay because it provides for an extension of a probationary period, which directly relates to terms and conditions of practice and thus the public safety.

Schnurr moved for the Board to approve the Stipulated Order in case PA 18-0307. A second was received by Weber. All other ayes, nays none, motion carried.
