E-MAIL TRANSMISSION TO: kelly@buildingbridgescacom.onmicrosoft.com

June 25, 2021

Kelly Wagner, Executive Director Building Bridges Counseling & Associates, Inc. 505 5th Street Suite 700 Sioux City, Iowa 51101

Dear Ms. Wagner;

Attached is a copy of the Licensure Inspection Report completed by the Division of Behavioral Health following the licensure virtual site inspection of Building Bridges Counseling & Associates, Inc., 505 5th Street, Suite 700, Sioux City, Iowa, on June 24, 2021. A one-year license will be recommended to the Iowa Board of Health Substance Abuse/Problem Gambling Program Licensure Committee. We hope the enclosed report will be of assistance for continued and ongoing program improvement. This report is composed of the following sections:

- Licensure Inspection Weighting Report;
- Licensure team's recommendations for licensure:
- Completed programmatic check list which identifies the degree of compliance with specific licensure standards; and
- A summary of the inspectors' basis for areas found to be in non-compliance with the licensure

Your current license, which will expire July 11, 2021, remains valid until final action is taken by the Substance Abuse/Problem Gambling Program Licensure Committee on this application, per Iowa Code Chapter 17A.18.

Your application for licensure will be reviewed during the Committee's teleconference meeting on Wednesday, August 11, 2021 at 9:00 am. Please let me know if you would like to participate in this meeting and a phone number will be provided to you. Program representation is welcomed but not required.

If you have questions, please contact me at Amanda. McCurley@idph.iowa.gov or (515) 218-0630.

Sincerely,

Amanda McCurley

a	Do the policies state: - prohibiting mistreatment, neglect or abuse of children and dependent adults by staff include reporting and enforcement procedures - if a staff person is found in violation of Iowa Code sections 232.67 through 232.70 by the department of human services investigation, the staff shall be subject to the program's policies concerning termination - reporting violations immediately to the program's executive director and appropriate Department of Human Services staff	1
b	For staffs working within a juvenile service area, or with dependent adults, do personnel records contain the following? (1) Documentation of a criminal history background check with the lowa division of criminal investigation on all new staff applicants. The background check shall include asking whether the applicant has been convicted of a crime. (2) A written, signed and dated statement furnished by a new staff applicant which discloses any substantiated report of child abuse, neglect or sexual abuse or dependent adult abuse. (3) Documentation of a check prior to permanent acceptance of a person as staff, with the lowa central registry for any substantiated reports of child abuse, neglect or sexual abuse pursuant to lowa Code section 125.14A or substantiated reports of dependent adult abuse for all staff hired or accepted on or after July 1, 1994, pursuant to lowa Code chapter 235B.	0
С	If a record of criminal conviction or founded child abuse or founded dependent adult abuse exists for a person hired by the program, does a record exist that Iowa DHS concluded that the crime or founded child abuse or founded dependent adult abuse does not merit prohibition of employment? Is there record of the hire having been offered the opportunity to complete and submit Form 470-2310, Record Check Evaluation?	1
d	Has each staff member completed two hours of training relating to the identification and reporting of child abuse and dependent adult abuse within six months of initial employment; and two hours of additional training every three years thereafter?	0
155.21(10)	Patient Records	
	Does the program have written policies and procedures governing patient case records that describe compilation, storage and dissemination of patient records and release or disclosure of information?	1
a	The policies and procedures shall ensure that: (1) The program protects the patient record against loss, tampering or unauthorized disclosure of information; (2) The content and format of patient records are uniform; (3) All entries in the patient record are in chronological order, signed, dated and legible. When records are maintained electronically, a staff identification code number authorizing access shall be accepted in lieu of a signature; (4) Each entry in the patient record is made in permanent ink, by typewriter, or by computer; and (5) Entries in the patient record use language consistent with generally accepted standards of practice and do not include abstract terms, technical jargon or slang.	1
b	Does the program provide adequate physical facilities for the secure storage, processing	
С	and handling of patient records? Is there a program policy authorizing access to appropriate patient records by staff?	1
d	Is there a written policy governing maintenance of patient records for not less than seven (7) years from the date they are officially closed and for the disposal of patient case	1
e	records? Are all paper patient records kept in a suitable locked room or file cabinet?	1

f	Do the program's written policies and procedures provide for the release or disclosure of information on individuals seeking program services or on patients in strict accordance with the Health Insurance Portability and Accountability Act (HIPAA) and state and federal confidentiality laws, rules and regulations? (1) The confidentiality of substance use disorder patient records and information is protected by HIPAA and the regulations on confidentiality of alcohol and drug abuse patient records, 42 CFR Part 2, which implement federal statutory provisions, 42 U.S.C. 290dd-3 applicable to alcohol abuse patient records, and 42 U.S.C. 290ee-3 applicable to drug abuse patient records. (2) The confidentiality of problem gambling patient records and information is protected by HIPAA, Iowa Code chapter 228 and Iowa Code section 22.7(35).	0
g	If the program provides services via electronic media, has it informed the patient of the limitations and risks associated with such services and documented in each patient case record that such notices have been provided?	NA
h	Upon receipt of a properly executed written release of information signed by the patient, did the program release patient records in a timely manner? Exceptions are allowed for reporting information unrelated to continuum of care, if payment has not been received for such services or in the case of 321J reporting form.	1
155.21(11)	Assessment and Admission	
	Does the program have written policies and procedures that address screening, assessment, referral and admission and documentation of such activities in the patient record?	1
a	Does each patient record contain an assessment developed prior to admission unless the patient's risk factors indicate the need for immediate admission? (1) If the program admits a patient based on a screening or initial assessment that indicates the patient requires immediate admission, that screening or initial assessment must be updated and expanded to a full assessment when the patient's current risk factors are stabilized. (2) The assessment shall be documented in the patient record and shall be organized in a manner that supports development of a treatment plan by the program or by any program to which the patient is referred.	0
b	Has the program implemented a uniform assessment process that describes: (1) The information to be gathered; (2) Procedures for accepting a referral from another program, agency or organization; (3) Procedures for referring a patient to another program, agency or organization.	1
С	Does each patient record contain an assessment that has been updated on an ongoing basis within the periods of time specified for each level of care in the management-of-care process? (continuing stay reviews)	0
d	Have the results of the assessment been explained to the patient and family if appropriate, and has the explanation been documented in the patient record?	0
e	Does the patient record contain documentation that the patient has been informed of: (1) The general nature and goals of the program; (2) Rules governing patient conduct and infractions that can lead to disciplinary action or discharge from the program; (3) The hours during which services are available; (4) The costs to be borne by the patient; (5) Patient rights and responsibilities; (6) Confidentiality laws, rules and regulations; and (7) Safety and emergency procedures.	0

155.21(12)	Treatment Plans	
,	Does the program have written policies and procedures that describe the program's	
	uniform process for developing individualized treatment plans based on ongoing	1
	assessment and the documentation of such plans in each patient record?	
	Was the treatment plan developed within the period of time between admission and the	1
a	review date specified for that level of care?	1
	Does the treatment plan minimally contain each of the following?	
	(1) A summary of assessment findings;	
	(2) Patient short- and long-term goals;	4
b	(3) The type and frequency of planned treatment activities;	1
	(4) The staff responsible for the patient's treatment; and	
	(5) Culturally and environmentally specific considerations.	
	Does the treatment plan meet each of the following conditions?	
	> Is the treatment plan developed in partnership with the patient and is patient	
	participation documented in the patient record?	
С	> Is the treatment plan written in a manner clearly understandable to the patient?	0
	> Was the patient provided a copy of the treatment plan?	U
	> Is there documentation that the patient and staff reviewed the treatment plan when	
	clinically indicated and within the time frames specified for this level of care?	
	· ·	
	Are treatment plan reviews based on ongoing assessment and do they specify the	
d	indicated level of care and licensed program services and any revision of treatment plan	NA
	goals? Are the dates of the reviews and any revisions of the treatment plan documented	10/1
	in the patient record?	
155.21(13)	Progress Notes	
	Does the program have written policies and procedures that describe a uniform process	
	for reviewing a patent's current status and progress in meeting treatment plan goals and	1
	documenting such review in the patient record?	
	Do progress notes contain the date each service was provided or observation made and	
a	the name and title of the staff person providing each service or documenting each	1
	observation?	
b	Is there a progress note entered following each individual session?	1
С	Is there a progress note entered at least weekly for group counseling sessions?	NA
d	If the note contains a subjective interpretation of the patient's status or progress, is there	1
u	a description of the behavioral observation upon which the interpretation was based?	
155.21(14)	Patient Record Contents	
	Does the program have written policies and procedures that require that a record be	4
	maintained for each patient and do they specify the contents of the patient record?	1
	Do the patient records include the following?	
	(1) Any screening;	
	(2) Each assessment;	
	(3) Results of any physical examination or laboratory test;	
	(4) Admission information;	
	(5) Any report from a referring source or outside resource;	
	(6) Notes from any case conference, consultation, care coordination or case	
a	management;	0
	(7) Any correspondence related to the patient, including letters, electronic	
	communications and	
	telephone conversations;	
	(8) Any treatment consent form;	
	(9) Any release of information or authorization to disclose;	
	(10) Notes on any service provided; and	
	(11) Any incident report.	
	(1=1,) wassame above.	

b	For substance use disorder treatment programs, problem gambling treatment programs, and substance use disorder and problem gambling treatment programs, do the patient records also include each of the following? (1) Treatment plans; (2) Management-of-care reviews; (3) Medication records, which shall allow for the monitoring of all medications administered and self-administered and detection of adverse drug reactions; (4) Progress notes; (5) Discharge summaries completed within 30 days of discharge, which shall be sufficiently detailed to identify the types of services the patient received, action taken to address specific problems identified, and plans for services and referrals post discharge.	0
С	If this program is a problem gambling treatment program or a substance abuse/problem gambling treatment program, does the patient record contain documentation of financial counseling services that have assisted the patient in preparing a budget and addressing financial debt options including restitution and bankruptcy?	NA
155.21(15)	Drug Screening	
	Does the program have written policies and procedures addressing collection of drug- screening specimens and utilization of drug-screening results? If the program does not conduct drug screenings, does it have a policy stating such?	1
a	Are specimens collected under direct supervision and analyzed according to program policies, or does the program shall have a policy in place to reduce the patient's ability to alter the test?	NA
b	If the program uses an outside laboratory to analyze drug screening, does it comply with federal and state requirements?	NA
С	If the program conducts on-site drug screenings, does the program comply with all Clinical Laboratory Improvement Act regulations?	NA
d	Does the patient record reflect the manner in which the drug-screening results are utilized in treatment?	NA
155.21(16)	Medical and Mental Health Services	
	Does the program have written policies and procedures to address medical and mental health services?	1
a	In addition to assessment of biomedical conditions and complications as described in the ASAM criteria, has the program taken a medical history and performed a physical examination and necessary laboratory tests as follows for patients admitted to the level of care specified? (1) Medically managed intensive inpatient treatment and medically monitored intensive inpatient treatment: within 24 hours of admission. (2) Clinically managed high-intensity residential treatment and clinically managed medium-intensity residential treatment: within 7 days of admission. (3) Clinically managed low-intensity residential treatment: within 21 days of admission. (4) Crisis stabilization services and opioid treatment program services: within 24 hours of admission.	NA
b	Have physical, laboratory work and medical histories accepted from qualified sources been completed within 90 days prior to admission?	NA
С	If the program has accepted a mental health history from a qualified source, was the history completed no more than three (3) days prior to the patient's current admission?	NA
155.21(17)	Emergency Services	
	Does the program have written policies and procedures addressing the availability of	1
a	emergency services for SUD's and medical and mental health conditions? Does the program have emergency services available 24 hours/day, 7 days/week?	NA
b	If the program does not provide emergency services, does it ensure they are available from another qualified individual, institution, facility or legal entity?	1

С	Has the program communicated the availability of emergency services by posting notice at facilities, having a recorded message on the program's telephone system, posting notice on the program's web site and through program materials?	1
155.21(18)	Medication Control	
155.21(10)	Does the program have written policies and procedures that describe how medications	
	are administered or self-administered in accordance with federal, state and local laws, rules and regulations? If the program does not conduct medication administration or self-administration, does	1
	its policies and procedures state as such?	
a	Does the program maintain a list of qualified personnel authorized to administer medications as designated by rule 657-8.32(124,155A)?	NA
b	Are all medications being administered in accordance with the instructions of the attending prescriber and documented in the patient record? Documentation shall include type and amount of the medication, the time and date, and the staff person administering the medication.	NA
С	Does the program have written policies and procedures on self-administration requiring that self-administration be observed by a staff person who has been oriented to the program's policies and procedures on self-administration and that self-administered medications be clearly labeled? Written policies and procedures on self-administration shall include the following. (1) Medications are ordered or prescribed by a prescriber. (2) The prescriber agrees that the patient can self-administer the medication. (3) The medication taken and how and when the medication is taken are documented in the patient record.	NA
d	Are prescription drugs which are administered or self-administered, accompanied with a written order signed by a physician? Are all prescribed medications clearly labeled with the patient's full name, the prescriber's name, the prescription number, and the name and strength of the medication, the dosage, the directions for use and the date of issue; and the name, address and telephone number of the pharmacy or prescriber issuing the medication?	NA
е	If there is record of a medication a patient brought to the program not having been used, was it packaged, sealed and stored and was the sealed package of medication returned to the patient, family or designee at the time of discharge?	NA
f	Accountability and control of medications: (1) Is there a specific routine for medication administration, indicating dose schedules and standardization of abbreviations. (2) Are there specific methods for control and accountability of medication products throughout the program?
