E-MAIL TRANSMISSION TO: bpalmer@crossroadsbhs.org

December 17, 2021

Brittany Palmer, Executive Director Crossroads Behavioral Health Services 1003 Cottonwood Creston, Iowa 50801

Dear Ms. Palmer:

Attached is a copy of the Licensure Inspection Report completed by the Division of Behavioral Health following the licensure virtual site inspection of Crossroads Behavioral Health Services, 1003 Cottonwood, Creston, Iowa, on December 10, 2021. A one-year license will be recommended to the Iowa Board of Health Substance Abuse/Problem Gambling Program Licensure Committee. We hope the enclosed report will be of assistance for continued and ongoing program improvement. This report is composed of the following sections:

- Licensure Inspection Weighting Report;
- Licensure team's recommendations for licensure;
- Completed programmatic check list which identifies the degree of compliance with specific licensure standards; and
- A summary of the inspectors' basis for areas found to be in non-compliance with the licensure standards.

Your current license, which expired October 7, 2021, remains valid until final action is taken by the Substance Abuse/Problem Gambling Program Licensure Committee on this application, per Iowa Code Chapter 17A.18.

Your application for licensure will be reviewed during the Committee's teleconference meeting on **Wednesday**, **January 12, 2022 at 9:00 am**. Please let me know if you would like to participate in this meeting and a phone number will be provided to you. **Program representation is welcomed but not required.**

If you have questions, please contact me at Amanda. McCurley@idph.iowa.gov or (515) 218-0630.

Sincerely,

Amanda McCurley

f	Do the program's written policies and procedures provide for the release or disclosure of information on individuals seeking program services or on patients in strict accordance with the Health Insurance Portability and Accountability Act (HIPAA) and state and federal confidentiality laws, rules and regulations? (1) The confidentiality of substance use disorder patient records and information is protected by HIPAA and the regulations on confidentiality of alcohol and drug abuse patient records, 42 CFR Part 2, which implement federal statutory provisions, 42 U.S.C. 290dd-3 applicable to alcohol abuse patient records, and 42 U.S.C. 290ee-3 applicable to drug abuse patient records. (2) The confidentiality of problem gambling patient records and information is protected by HIPAA, Iowa Code chapter 228 and Iowa Code section 22.7(35).	0
g	If the program provides services via electronic media, has it informed the patient of the limitations and risks associated with such services and documented in each patient case record that such notices have been provided?	1
h	Upon receipt of a properly executed written release of information signed by the patient, did the program release patient records in a timely manner? Exceptions are allowed for reporting information unrelated to continuum of care, if payment has not been received for such services or in the case of 321J reporting form.	1
155.21(11)	Assessment and Admission	
	Does the program have written policies and procedures that address screening, assessment, referral and admission and documentation of such activities in the patient record?	1
a	Does each patient record contain an assessment developed prior to admission unless the patient's risk factors indicate the need for immediate admission? (1) If the program admits a patient based on a screening or initial assessment that indicates the patient requires immediate admission, that screening or initial assessment must be updated and expanded to a full assessment when the patient's current risk factors are stabilized. (2) The assessment shall be documented in the patient record and shall be organized in a manner that supports development of a treatment plan by the program or by any program to which the patient is referred.	1
b	Has the program implemented a uniform assessment process that describes: (1) The information to be gathered; (2) Procedures for accepting a referral from another program, agency or organization; (3) Procedures for referring a patient to another program, agency or organization.	0
С	Does each patient record contain an assessment that has been updated on an ongoing basis within the periods of time specified for each level of care in the management-of-care process? (continuing stay reviews)	1
d	Have the results of the assessment been explained to the patient and family if appropriate, and has the explanation been documented in the patient record?	1
е	Does the patient record contain documentation that the patient has been informed of: (1) The general nature and goals of the program; (2) Rules governing patient conduct and infractions that can lead to disciplinary action or discharge from the program; (3) The hours during which services are available; (4) The costs to be borne by the patient; (5) Patient rights and responsibilities; (6) Confidentiality laws, rules and regulations; and (7) Safety and emergency procedures.	1

155.21(12)	Treatment Plans	
	Does the program have written policies and procedures that describe the program's	
	uniform process for developing individualized treatment plans based on ongoing	1
	assessment and the documentation of such plans in each patient record?	
_	Was the treatment plan developed within the period of time between admission and the	1
а	review date specified for that level of care?	1
	Does the treatment plan minimally contain each of the following?	
	(1) A summary of assessment findings;	
h	(2) Patient short- and long-term goals;	1
b	(3) The type and frequency of planned treatment activities;	1
	(4) The staff responsible for the patient's treatment; and

JUSTIFICATION OF VARIANCE

The following items were rated "0" (Non Compliance) and points were subtracted from the Licensure Weighting Report.

155.21(8) Personnel*

D.1 Personnel was in non-compliance because not all personnel records contained professional credentials.

155.21(10) Patient Records*

F. Patient records was in non-compliance because releases of information were not in accordance with 42 CFR Part 2. (*This was an area of non-compliance in 2020.*)

155.21(11) Assessment and Admission*

B. Assessment and admission was in non-compliance because documentation in the patient record does not support the program has implemented a uniform assessment process.

155.21(12) Treatment Plans*

D. Treatment plans was in non-compliance because not all treatment plans were reviewed in accordance with management of care timeframes. (*This was an area of non-compliance in 2020.*)

155.21(14) Patient Case Record Contents*

B. Patient case record contents was in non-compliance because not all patient records contained evidence of timely management-of-care reviews (ASAM continued stay reviews), treatment plans, or discharge summaries. (*This was an area of non-compliance in 2020.*)

155.21(19) Management of Care and Discharge Planning*

B. Management of care and discharge planning was in non-compliance because management-of-care activities where not documented within the time frames appropriate to the patient's ASAM level of care (every 30 days for outpatient level of care). (*This was an area of non-compliance in 2020*.)

Crossroads Behavioral Health Services 1003 Cottonwood Road Creston, Iowa 50801

Inspection date: December 10, 2021

155.38(1) TB Risk Assessment*

TB risk assessment is in non-compliance because the program did not conduct an annual TB risk assessment.

155.38(3) Baseline TB Screening Procedures for Facilities*

A. Baseline TB screening procedures for facilities was in non-compliance because staff did not receive baseline TB screening upon hire. (*This was an area of non-compliance in 2020*.)

*Technical assistance was provided during the virtual site inspection. Licensee was provided specific technical assistance on the following areas of non-compliance:

- Although not an area of non-compliance, licensee was informed that on-site training must contain minutes that include: name and date of the training, names of staff attending, topics of the training, and the name(s) and title(s) of trainers.
- Although not an area of non-compliance, licensee was informed that DCI Record Checks and DHS Child Abuse and Dependent Abuse Registry checks must be completed on all new staff applicants and prior to permanent acceptance of a person as a staff.
- Licensee was informed personnel records must contain the most current professional credentials of personnel.
- Licensee was informed that patient consents for disclosure were not in compliance, as
 consents did not contain the purpose for the disclosure. Licensee was also informed
 juvenile records now contained appropriate juvenile signatures for disclosures
 however; a patient signed consent must be obtained prior to disclosing information to a
 patient's parent.
- Licensee was informed one patient record noted a disclosure to a probation officer but the consent to disclose the information was not signed by the patient. This would be considered an unauthorized disclosure.
- Licensee was informed there was no documentation that alcohol was assessed in some of the patient records. Licensee was informed to assess all substance use and not just the primary substance use.
- Licensee was informed that one problem gambling treatment record was reviewed however; the record did not contain any documentation regarding problem gambling screening/assessment/treatment.
- Licensee was informed two records did not contain treatment plans.
- Licensee was informed none of the records contained applicable discharge summaries. Licensee was informed a discharge summary is to be documented within 30 days of discharge.

Crossroads Behavioral Health Services 1003 Cottonwood Road Creston, Iowa 50801

Inspection date: December 10, 2021

- Licensee was informed that some patient records were either missing ASAM reviews
 or the reviews were untimely. ASAM continued stay reviews are to be documented
 every 30 days for Level 1 Outpatient and every 7 days for Level 2.1 Intensive
 Outpatient. License was informed a thorough review of each of the 6 ASAM
 dimensions should be documented in accordance with timeframes, even when the
 patient is absent from treatment.
- Licensee was informed treatment plan reviews have the same timeframes as ASAM
 reviews but are only to be conducted with the patient present to participate in the
 review. If the patient is not present for a treatment plan review, this should be
 documented as such.
- Licensee was informed to document ASAM recognized levels of care (Level 1 OP; Level 2.1 IOP). Licensee was informed that Extended Outpatient and Continuing Care are not recognized levels of care and were removed from licensure administrative rules in 2015.
- Licensee was informed a TB risk assessment of the facility needs to be completed annually. Licensee was provided with an annual TB risk template for documenting this assessment.
- Licensee was informed going forward all new employees would need a TB test upon hire, and all employees who currently do not have a TB test will need to have one completed.
