Samantha Cannon, Executive Director Dennis Hartman, Program Director *Infinity Health* 302 NE 14<sup>th</sup> Street Leon, Iowa 50144

Dear Ms. Cannon and Mr. Hartman:

Attached is a copy of the Licensure Inspection Report completed by the Division of Behavioral Health following the virtual licensure site inspection of Infinity Health, 302 NE 14<sup>th</sup> Street, Leon, Iowa, on March 22, 2023. A two-year license will be recommended to the Iowa Board of Health Substance Abuse/Problem Gambling Program Licensure Committee. We hope the enclosed report will be of assistance for continued and ongoing program improvement.

This report is composed of the following sections:

- Licensure Inspection Weighting Report;
- Licensure team's recommendations for licensure;
- Completed programmatic check list which identifies the degree of compliance with specific licensure standards; and
- A summary of the inspectors' basis for areas found to be in non-compliance with the licensure standards.

Your current license, which expired February 2, 2023, remains valid until final action is taken by the Substance Abuse/Problem Gambling Program Licensure Committee on this application, per Iowa Code Chapter 17A.18.

Your application for licensure will be reviewed during the Committee's teleconference meeting.

(2) The assessment shall be documented in the patient record and shall be organized in a manner that supports development of a treatment plan by the program or by any program to which the patient is referred.
Has the program implemented a uniform assessment process that describes: (1) The information to be gathered; (2) Procedures for accepting a referral from another program, agency or organization; (3) Procedures for referring a patient to another program, agency or organization.
Does each patient record contain an assessment that has been updated on an ongoing
c basis within the periods of time specified for each level of care in the management-of- care process? (continuing stay reviews)

e	Does the patient record contain documentation that the patient has been informed of: (1) The general nature and goals of the program; (2) Rules governing patient conduct and infractions that can lead to disciplinary action or discharge from the program; (3) The hours during which services are available; (4) The costs to be borne by the patient; (5) Patient rights and responsibilities; (6) Confidentiality laws, rules and regulations; and (7) Safety and emergency procedures.	1
155.21(12)	Treatment Plans	
,	Does the program have written policies and procedures that describe the program's uniform process for developing individualized treatment plans based on ongoing assessment and the documentation of such plans in each patient record?	0
a	Was the treatment plan developed within the period of time between admission and the review date specified for that level of care?	1
b	Does the treatment plan minimally contain each of the following?  (1) A summary of assessment findings; (2) Patient short- and long-term goals; (3) The type and frequency of planned treatment activities; (4) The staff responsible for the patient's treatment; and (5) Culturally and environmentally specific considerations.	1
С	Does the treatment plan meet each of the following conditions?  > Is the treatment plan developed in partnership with the patient and is patient participation documented in the patient record?  > Is the treatment plan written in a manner clearly understandable to the patient?  > Was the patient provided a copy of the treatment plan?  > Is there documentation that the patient and staff reviewed the treatment plan when clinically indicated and within the time frames specified for this level of care?	1
d	Are treatment plan reviews based on ongoing assessment and do they specify the indicated level of care and licensed program services and any revision of treatment plan goals? Are the dates of the reviews and any revisions of the treatment plan documented in the patient record?	1
155.21(13)	Progress Notes	
	Does the program have written policies and procedures that describe a uniform process for reviewing a patent's current status and progress in meeting treatment plan goals and documenting such review in the patient record?	1
a	Do progress notes contain the date each service was provided or observation made and the name and title of the staff person providing each service or documenting each observation?	1
b	Is there a progress note entered following each individual session?	1
С	Is there a progress note entered at least weekly for group counseling sessions?	1
d	If the note contains a subjective interpretation of the patient's status or progress, is there a description of the behavioral observation upon which the interpretation was based?	1
155.21(14)	Patient Record Contents	
	Does the program have written policies and procedures that require that a record be maintained for each patient and do they specify the contents of the patient record?	1
а	Do the patient records include the following? (1) Any screening; (2) Each assessment; (3) Results of any physical examination or laboratory test;	0

	<ul><li>(4) Admission information;</li><li>(5) Any report from a referring source or outside resource;</li></ul>	
I.		
	(6) Notes from any case conference, consultation, care coordination or case	
	management;	
	(7) Any correspondence related to the patient, including letters, electronic	
	communications and	
	telephone conversations;	
	(8) Any treatment consent form;	
	(9) Any release of information or authorization to disclose;	
	(10) Notes on any service provided; and	
	(11) Any incident report.	
	For substance use disorder treatment programs, problem gambling treatment	
	programs, and substance use disorder and problem gambling treatment programs, do	
	the patient records also include each of the following?	
	(1) Treatment plans;	
	(2) Management-of-care reviews;	
	(3) Medication records, which shall allow for the monitoring of all medications	
	administered and	1
	self-administered and detection of adverse drug reactions;	
	(4) Progress notes;	
	(5) Discharge summaries completed within 30 days of discharge, which shall be	
	sufficiently detailed to identify the types of services the patient received, action taken	
	to address specific problems identified, and plans for services and referrals post	
	discharge.	
	If this program is a problem gambling treatment program or a substance	
	abuse/problem gambling treatment program, does the patient record contain	
С	documentation of financial counseling services that have assisted the patient in	NA
	preparing a budget and addressing financial debt options including restitution and	
	bankruptcy?	
155.21(15)	Drug Screening	
	Does the program have written policies and procedures addressing collection of drug-	
	screening specimens and utilization of drug-screening results? If the program does not	1
	conduct drug screenings, does it have a policy stating such?	
	Are specimens collected under direct supervision and analyzed according to program	
	policies, or does the program shall have a policy in place to reduce the patient's ability	1
	to alter the test?	
	If the program uses an outside laboratory to analyze drug screening, does it comply	
	with federal and state requirements?	NA
	If the program conducts on-site drug screenings, does the program comply with all	
C	Clinical Laboratory Improvement Act regulations?	1
	Does the patient record reflect the manner in which the drug-screening results are

	(4) Crisis stabilization services and opioid treatment program services: within 24 hours of admission.	
b	Have physical, laboratory work and medical histories accepted from qualified sources been completed within 90 days prior to admission?	NA
С	If the program has accepted a mental health history from a qualified source, was the history completed no more than three (3) days prior to the patient's current admission?	NA
155.21(17)	Emergency Services	
	Does the program have written policies and procedures addressing the availability of emergency services for SUD's and medical and mental health conditions?	1
a	Does the program have emergency services available 24 hours/day, 7 days/week?	NA
b	If the program does not provide emergency services, does it ensure they are available from another qualified individual, institution, facility or legal entity?	1
С	Has the program communicated the availability of emergency services by posting notice at facilities, having a recorded message on the program's telephone system, posting notice on the program's web site and through program materials?	1
155.21(18)	Medication Control	
	Does the program have written policies and procedures that describe how medications are administered or self-administered in accordance with federal, state and local laws, rules and regulations?  If the program does not conduct medication administration or self-administration, does its policies and procedures state as such?	1
a	Does the program maintain a list of qualified personnel authorized to administer medications as designated by rule 657-8.32(124,155A)?	NA
b	Are all medications being administered in accordance with the instructions of the attending prescriber and documented in the patient record? Documentation shall include type and amount of the medication, the time and date, and the staff person administering the medication.	NA
С	Does the program have written policies and procedures on self-administration requiring that self-administration be observed by a staff person who has been oriented to the program's policies and procedures on self-administration and that self-administered medications be clearly labeled?  Written policies and procedures on self-administration shall include the following.  (1) Medications are ordered or prescribed by a prescriber.  (2) The prescriber agrees that the patient can self-administer the medication.  (3) The medication taken and how and when the medication is taken are documented in the patient record.	NA
d	Are prescription drugs which are administered or self-administered, accompanied with a written order signed by a physician?  Are all prescribed medications clearly labeled with the patient's full name, the prescriber's name, the prescription number, and the name and strength of the medication, the dosage, the directions for use and the date of issue; and the name, address and telephone number of the pharmacy or prescriber issuing the medication?	NA
e	If there is record of a medication a patient brought to the program not having been used, was it packaged, sealed and stored and was the sealed package of medication returned to the patient, family or designee at the time of discharge?	NA
f	Accountability and control of medications: (1) Is there a specific routine for medication administration, indicating dose schedules and standardization of abbreviations. (2) Are there specific methods for control and accountability of medication products throughout the program? (3) Does the staff person in charge of medications provide for monthly inspection of all storage units?	NA

#### JUSTIFICATION OF VARIANCE

The following items were rated "0" (Non Compliance) and points were subtracted from the Licensure Weighting Report.

#### 155.17(125,135) License Revision\*

License revision was in non-compliance because the program did not provide a written request to the division to revise a license at least 30 days prior to the change of behavioral health director.

#### 155.21(8) Personnel\*

F. Personnel was in noncompliance because the program did notify the division within 10 working days of being informed that a certified or licensed staff member had been sanctioned or disciplined by a certifying or licensed body.

### 155.21(10) Patient Records\*

F. Patient records was in non-compliance because releases of information were not in accordance with 42 CFR Part 2.

#### 155.21(12) Treatment Plans\*

Treatment plans was in non-compliance because there was not a process for developing individualized treatment plans.

#### 155.21(14) Patient Record Contents\*

A. Patient record contents was in non-compliance because some patient records did not contain screenings; assessments; releases of information or authorization to disclose, or reports from a referring source or outside resource.

\*Technical assistance was provided during the virtual site inspection. Licensee was provided specific technical assistance on the following areas of non-compliance:

- Licensee was informed that licensee is required to submit a written request to the division
  to revise a license at least 30 days prior to any change of address, executive director,
  clinical oversight staff, facility, or licensed program service.
- Licensee has been informed that the program shall notify the division in writing within 10 days of being informed that a staff person has been sanctioned or disciplined by a certifying or licensing body. The notice must include the sanction or discipline order.
- Licensee was informed that patient consents did not comply with 42 CFR Part 2. One juvenile patient record had a release of information that was signed by a parent. To
