Policy

To foster public-private partnerships the ECI SC shall have co-chairs. One co-chairperson for the Steering Committee shall represent government and one co-chairperson shall represent non-government organizations. Co-chairs representing different sectors offer a variety of perspectives and leadership for the ECI SA and mirrors the private and public co-chairs at the ECI SA component group level.

Purpose:

The Steering Committee co-chairs will provide guidance, facilitation, representation and leadership for the ECI Steering Committee.

Definitions:

Procedures:

On an annual basis (during the Steering Committee meeting immediately following the ECI SA annual meeting) two chairpersons shall be elected by a vote of the Steering Committee. Nominations shall be made (by Steering Committee members) after the Steering Committee membership is voted on during the September ECI SA annual meeting.

The Steering Committee chairpersons shall not both come from the same component group.

Responsibilities:

Duties of the ECI Steering Committee co-chairpersons include, but not limited to:

- Working with the ECI staff to develop ECI Steering Committee meeting agendas.
- Facilitate ECI Steering Committee meetings.
- Speak on behalf of the ECI Steering Committee when appropriate.
- Provide leadership for the ECI Steering Committee.
- Provide updates to the ECI State Board on behalf of the ECI SA.
