Policy
Members of the ECI SA Steering Committee will be actively involved in the ECI Stakeholder Alliance Steering Committee and be expected to comply with individual member roles and responsibilities.

Purpose:
To ensure ECI Steering Committee members understand the system building work of ECI and provide regular input of component group activities to the ECI Steering Committee.

Definitions:

ECI Component Group: as defined in the by laws

Procedures:

None

Responsibilities:

The individual responsibilities of a member of ECI SA Steering Committee, regardless of whether they are on the Steering Committee by virtue of being a Component Group co-chair, at large or filling a required position to meet SAC requirements, are to:

- Participate in the ECI Steering Committee Orientation
- Be an active member in the ECI SA
- Be in compliance with ECI SA Steering attendance policy (2.2.2.1)
- Actively serve on at least one of the ECI component groups (2.2.2.2)
- Be in compliance with all ECI SA policies and procedures.
