- ◆ Review an order amount to recommend that it:
 - Increase.
 - Decrease.

- ◆ Withhold support payments from wages, unemployment benefits, or other income.
- ◆ Process support payments and maintain payment records.
- ◆ Deposit support payments directly into bank accounts.
- ◆ Suspend current support obligations.

- ◆ Sanction:
 - Passports.

- ◆ Place liens against real estate.
- ◆ Refer past due accounts to credit reporting agencies.
- ◆ Collect from accounts at financial institutions.
- ◆ File contempt of court proceedings.

HOW DO I GET THE SERVICES?

- ◆ Your name is sent to us when you are approved for the following:
 - Family Investment Program (FIP) benefits.
 - Foster care services.
 - Medicaid benefits.
 - If you receive Medicaid benefits and you have an order for cash medical support, or
 - If you want child support services.
- ◆ If you do not receive public assistance, you must file an application for services. Either parent may apply for services.
- ◆ You may receive our services even if one of the parents lives in another state.

IS THERE A COST FOR SERVICES?

- ◆ Parents contesting paternity establishment may be asked to pay genetic testing costs.
- ◆ The payee pays a \$35 fee each year if the payee never received cash assistance for a child on the case under Title IV-A of the Social Security Act (such as FIP, TANF, ADC). We collect it from payments after we have sent at least \$550 during the federal fiscal year (October 1st – September 30th).

HOW DO I GET AN APPLICATION?

Contact the local child support office or visit our website: www.childsupport.ia.gov

WHAT DO I NEED TO DO?

To serve you better, we need your help. Please:

- ◆ Provide to us your address and employer.
- ◆ Attend all required hearings

HOW LONG DO UNIT PROCESSES TAKE?

The length of time depends on how hard it is to find a necessary party and verify income or assets. We must allow more time for legal processes if the other parent lives in another state.
