RC-0002, Schedule of Needs

Purpose

Title IV-A of the Social Security Act requires states administering a cash assistance program (known as FIP in Iowa) to establish standards of assistance. These standards, expressed in money amounts, are for the purpose of determining financial need and the amount of assistance on an equitable basis.

The *Schedule of Living Costs* and the *Schedule of Basic Needs* are provided to comply with 1991 Iowa Acts, Chapter 267.

The instructions governing the use of the schedules are contained in [4-F, *Applying Income Tests and Calculating the Amount of Assistance*](#).

Chart of Basic Needs Components:

Below the *Schedule of Needs* is the *Chart of Basic Needs Components*. The total of the amounts of basic needs components does not exactly equal the amount shown on the corresponding *Schedule of Basic Needs*. This difference arises from many factors, but occurs primarily by reason of the “rounding off” procedures that are employed throughout the process culminating in the *Schedule of Basic Needs*.

This chart is used in determining applicant’s or participant’s net profit from renting out apartments in the applicant’s or participant’s own home. Note that the amounts set forth on the chart for each budgetary item are computed on a per-person basis.

For example, the two-person allowance for shelter is \$131.62 ($\65.81×2); the two-person allowance for utilities is \$32.90 ($\16.45×2).

Allowances for Special Needs:

A summary of the allowances for special needs is printed on the reverse for quick reference.
