IOWA Health and Human Services

Audiology Centers in Iowa and Bordering States

The centers listed below offer diagnostic services for infants and toddlers who have, or are suspected of having, hearing loss. The clinics with a ** can provide sedated testing, as needed, but all infants should be referred immediately upon a did not pass outpatient hearing screen. These clinics can determine if an infant has typical hearing, a hearing difference or a medical component causing a temporary hearing difference. This list is subject to change. If you have questions, please contact the EHDI program at 1-833-496-8040 for assistance.
