The Court, upon the record, including the *Affidavit Regarding Suspension of Support*, being fully advised in the premises, **FINDS:**

2. A support obligation was previously ordered in this matter.
3. The Child Support Recovery Unit (Unit) received and accepted a *Request to Suspend Support* in this matter.
4. This order requires ongoing support for the following child(ren):

**Child**

**Year of Birth**

5. The support order
  - requires** ongoing spousal support for the payee.
  - does not require** ongoing spousal support for the payee.
6. Ongoing support for the child(ren) and payee
  - is assigned or redirected** in part or in whole to \_\_\_\_\_ and \_\_\_\_\_.
  - is not assigned or redirected** to any other party.
7. According to Iowa Code section 252B.20, the payor, payee and any named other parent/caretaker have jointly requested the assistance of the Child Support Recovery Unit (Unit) in suspending the ordered support provisions, as specified under paragraph one below. This request meets the statutory requirements and the parties have signed an affidavit attesting that:
  - One or more of the children entitled to ongoing support in the order currently live in the same household with both parents.
  - One or more of the children entitled to ongoing support currently live in the same household with the person ordered to pay support.
  - The order includes a step change which specifies the amount of support that is due as the number of children entitled to support changes.
8. By signing the affidavit, the payor, payee, and any named other parent/caretaker consented to the suspension of support as specified below and acknowledged that any delinquency that has accrued prior to the effective date of this order is unaffected and remains a judgment and subject to enforcement under any means authorized by law.

INFORMATIONAL NOTICE REQUESTED BY THE CHILD SUPPORT RECOVERY UNIT

The Unit may ask the court to reinstate the suspended obligation if, within six months of the date this order is entered suspending the support obligation, either of the following happens:

- a) The payor, payee, or any assignee (including the Unit), requests that the support order be reinstated. Any request for reinstatement must be made in writing, to the local child support office that initiated the suspension. The request must state the reason for reinstatement and provide enough information to identify the order and parties involved.
- b) One or more of the children for whom support was suspended begins receiving public assistance benefits and the parent ordered to pay support is not a member of the public assistance household.

Unless reinstated, an order suspending support becomes final six months after entry. This **does not** mean that a new support order cannot be entered against either parent if conditions change later. It means a new order must be entered rather than reinstating the old order.
