Age

Adoption No.

*Child*

*Child*

Name

Age

Adoption No.

Legal status of the child:

On \_\_\_\_\_, the parental rights of \_\_\_\_\_'s parents were terminated. Guardianship of the child was placed with the Iowa Department of Human Services for the purpose of adoption.

### Information Regarding the Child

Information regarding the child's current situation can be found in the attached report. The attached Child Study and Social History contains information regarding the birth family background.

## **Information Regarding the Adoptive Family**

*Personal History:* Information regarding individual backgrounds can be found in the preplacement assessment and home study attached to the adoption petition. Financial information can be found in the "Identifying Information" section attached to this report.

*Family as a Group:* Information regarding community interest, religion and references can be found in the preplacement assessment and home study.

*Brief Description of Community and Home:*

## **Summary and Recommendation**

The placement has progressed well in the \_\_\_\_\_ since \_\_\_\_\_ entered the adoptive home with all family members making appropriate adjustments. Therefore, we recommend that this adoption be finalized.
