Notice That Case No Longer Qualifies for Automatic
Satisfaction of Monthly Child Support Debt

Date: _____

Case Number: _____

Obligee Name: _____

County: _____

Order #: _____

The records of the Child Support Recovery Unit (CSRU) show that your case no longer qualifies to have your monthly child support satisfied by operation of law under Iowa Code section 252B.3(4). In order for CSRU to satisfy your monthly child support by operation of law, all of the following conditions must be true:

- You and the obligee have reconciled and are living together
- You receive a portion of the family's public assistance money.
- If you have multiple children together, at least one of the children lives with you and the obligee.

CSRU's records indicate that one or more of the conditions no longer apply to your case.

If all of the children now live with you instead of the other parent, or you are now living together as a family, you may want to contact CSRU or your own attorney to obtain information regarding a suspension of the child support obligation.

If you have any questions, you may call 1-888-229-9223 (within the United States) or 1-641-844-5390 (outside the US) Monday through Friday 8:00 a.m. to 5:00 p.m.
