Molina's Continuity of Care

Molina implementation

Latest Updates

- Molina's contract allows for a continuity of care period, during which all services rendered to a member by their provider will be paid, even if the provider isn't yet listed in Molina's network.
- Molina's continuity of care period extends until **September 30, 2023**
- During the continuity of care period, Molina:
 - Honor all authorization and plans of care approved by AGP and ITC.
 - Waiver Prior Authorization for the first 90 days of implementation (with certain exceptions).
 - Reimbursed out of network providers at 100% of the Medicaid fee schedule.

Next Steps

Molina's continuity of care period will end September 30, 2023.

Effective October 1, 2023

- Molina will start reimbursing out of network providers at 80% of the Medicaid fee schedule.
- Out of network providers will be required to submit prior authorizations before delivering services to a Molina member.
- Providers will be required to seek authorizations for services that require prior authorizations. The services and procedures requiring authorization are found on Molina's website:
