Case Number: \_\_\_\_\_

Dear \_\_\_\_\_:

In the past you agreed to repay a debt you owe to the State of Iowa, by allowing the Collection Services Center (CSC) to keep a portion of each of your payments to repay that debt.

This letter is to advise you that an additional debt is being established against you. It is necessary for you to repay this additional money because:

\_\_\_\_\_ the amount you received was refunded to the non-custodial parent by Child Support Services

\_\_\_\_\_ another non-custodial parent paid the amount you received and the money belongs to another family.

The additional debt amount is \_\_\_\_\_. This brings the total amount of debt you owe to \_\_\_\_\_.

CSC will continue to withhold payment and apply it to your debt until the new debt amount is paid in full.

If you have any questions about this letter, call your local office.
