## Actions That May Be Taken on Overpayment

A health care premium payment was made that should not have been made because your child was not eligible. The overpayment has been referred to the Department of Inspections and Appeal (DIA) for recovery. The DIA takes one or more of the following actions:

- Bills you for the overpayment.
- Takes money owed to you by any state agency (for example, all or part of an income tax refund or state wages) if you are past due on your account.
- Refers your case for prosecution (if the Department has reason to believe you withheld or gave false information on purpose in order to get benefits that you were not entitled to).
- Files a civil suit to collect the overpayment.

### You Have the Right to Appeal

#### What is an appeal?

An **appeal** is asking for a hearing because you do not like a decision the Department of Human Services (DHS) makes. You have the right to file an appeal if you disagree with a decision. You do not have to pay to file an appeal. [441 Iowa Administrative Code Chapter 7].

#### How do I appeal?

Filing an appeal is easy. You can appeal in person, by telephone or in writing for Food Assistance or Medicaid. You must appeal in writing for all other programs. To appeal in writing, do **one** of the following:

- Complete an appeal electronically at <https://dhssecure.dhs.state.ia.us/forms/>, or
- Write a letter telling us why you think a decision is wrong, or
- Fill out an Appeal and Request for Hearing form. You can get this form at your county DHS office.

Send or take your appeal to the Department of Human Services, Appeals Section, 5th Floor, 1305 E Walnut Street, Des Moines, Iowa 50319-0114. If you need help filing an appeal, ask your county DHS office.

#### How long do I have to appeal?

For Food Assistance or Medicaid, you have 90 calendar days to file an appeal from the date of a decision. For all other programs, you must file an appeal:

- Within 30 calendar days of the date of a decision or
- Before the date a decision goes into effect

If you file an appeal more than 30 but less than 90 calendar days from the date of a decision, you must tell us why your appeal is late. If you have a good reason for filing your appeal late, we will decide if you can get a hearing.

If you file an appeal 90 days after the date of a decision, we cannot give you a hearing.

#### Can I continue to get benefits when my appeal is pending?

You may keep your benefits until an appeal is final or through the end of your certification period if you file an appeal:

- Within 10 calendar days of the date the notice is received. A notice is considered to be received 5 calendar days after the date on the notice or
- Before the date a decision goes into effect

Any benefits you get while your appeal is being decided may have to be paid back if the Department's action is correct.

#### How will I know if I get a hearing?

You will get a hearing notice that tells you the date and time a telephone hearing is scheduled. You will get a letter telling you if you do not get a hearing. This letter will tell you why you did not get a hearing. It will also explain what you can do if you disagree with the decision to not give you a hearing.

#### Can I have someone else help me in the hearing?

You or someone else, such as a friend or relative can tell why you disagree with the Department's decision. You may also have a lawyer help you, but the Department will not pay for one. Your county DHS office can give you information about legal services. The cost of legal services will be based on your income. You may also call Iowa Legal Aid at 1-800-532-1275. If you live in Polk County, call 243-1193.
